

Elk Grove Township

PUBLISHED OCTOBER 2023

George K. Busse
Township Supervisor

A Message from the Supervisor...

I hope everyone had a wonderful summer. It's been a very busy summer for us. We participated in many of the Village parades, farmer markets, and block parties. We're making every effort to get out into the community to ensure that Township residents are aware of the many services we provide. Speaking of services, we've had some exciting developments that I'd like to make you aware of.

Expanded Counseling and Psychiatric Services. We have added a full-time and are currently hiring another FULL TIME Adult and Family Counseling therapist to our staff (more info on page 9). The demand for our counseling and psychiatric services increased dramatically as COVID subsided and we were beginning to build a waiting list. Since the need for these services is often immediate in nature, we want to ensure that we can provide our residents with the assistance they need in a timely manner. Our counseling and psychiatric services are no-cost and available to all residents.

Youth Services Facilities Up and Running. After a long delay, the construction of the Youth Services Bike Safety and Challenge Courses has been completed. Our Youth Services team will begin working with local elementary schools to set up Bike Safety classes starting next spring. The Challenge Course is essential to several of the programs our Youth Services team runs both onsite at the Township and local schools. These programs include Social Skills Development, Girls Empowerment, Coping/Anxiety Group, and Future Leaders. In addition to these Challenge Course related programs, our Youth Services team conducts several other in-school programs such as Bullying Prevention and Suicide Prevention. If you believe your children would benefit from participation in any of these no-cost programs and want more information, call us at 847-981-0375.

Support the Food Pantry. Our Township Food Pantry has been remarkably busy. We serve over 815 families a month, which is over double the number we were serving two years ago. Changing demographics, inflation, and changes to food stamp eligibility are driving the demand. The pantry is available to all Township residents and has a client-choice format. Thanks to all who have donated food and/or money to support the Food Pantry. Shopping reservations are required. To make a shopping appointment or to find out how to donate call us at 224-265-6111.

Assessing the Situation

Connie Carosielli
CIAO Assessor

For many years taxpayers could generally predict when they could file for exemptions, appeal to the Cook County Assessor's Office, and appeal to the Cook County Board of Review. The last several years has totally dispelled those assumptions. The fact that we no longer know when the second installment tax bill will be due and payable is another example of the confusion in the Cook County property tax system.

We are constantly asked when these opportunities are available. Unfortunately, we can't supply an answer. We are frequently informed hours before these events are to occur, and sometimes days after the event's start date.

It is because of this situation that we fervently encourage you to sign up for our email and phone notification system. This is easily done by calling our office and speaking to one of my staff. That number is 224-265-6110.

This year we will have been open for appeals twice with the Board of Review and once with the CCAO. To put this in perspective, we filed over 2,000 appeals with the CCAO on behalf of our taxpayers in 2022-23, and just under 800 appeals to the Board of Review with one 30-day period yet to be announced.

Obviously, our office has been busy with over 2,700 calls and 2,000 walk-ins since the beginning of the year. This is why I ask you to sign-up to receive the current information. In addition to your assessed value appeals, we filed over 2,300 exemptions on your behalf, ensuring you get the tax relief you deserve.

The latest information we have received regarding the second installment tax bills is that the County anticipates mailing those bills in late October or early November.

If you have questions, at any time, please feel free to call or come into the office and we will do our best to get you the current information.

My staff and I wish you the blessings of the coming season.

Clerk's Corner

One of the most rewarding parts of my Clerk position is being the chairman of the Agency Grants Committee. The purpose of the committee is to process grant applications from social service agencies that help the residents in our township. As we interview them, it is exciting to hear how each organization has helped our residents in the past year, and how they continue to improve and expand their services.

Organizations that receive grant funding from the township include services for the disabled, seniors, and youth. They provide assistance with healthcare, housing, mental health services, and more. When residents come to the Social Services Department at the township seeking assistance, we not only offer services available at the township such as the Food Pantry, and General and Emergency Assistance, but our staff can also connect them with agencies that specialize in their specific area of need. It is a win-win situation that avoids duplication of services.

Each agency sends us reports during the year, documenting how many of our residents received assistance from them and which services they received, so we can keep a close account of how they are using the grant money to help our residents. As the committee hears about all the needs people have, it can be overwhelming, but learning how the employees of the different agencies are specifically trained to help with so many different needs is very encouraging.

I am grateful for our township leadership, our Board, our employees, and the many social services agencies that have a passion for helping our residents and improving their quality of life.

Reminder - the following services are offered by the Clerk's Office:

Temporary Handicapped Parking Placards

Notary Public

Fishing Licenses

Hunting Licenses

Voter Registration

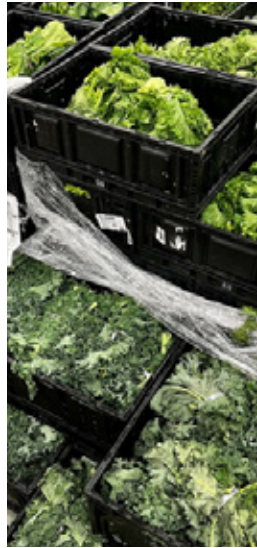

Passports – by appointment only

See page 10 for more passport information!

Food Pantry

Welcome Food Panty Shoppers!

Pantry clients are encouraged to use the pantry once per month by appointment to help fulfill their food needs. Clients with households of four (4) or more can utilize the pantry twice per month to ensure an ample amount of food and household essentials. Pantry visits require an appointment and a valid food pantry card. To schedule an appointment please call 224-265-6111. If you are a new client, please arrive at least 15 minutes early and bring with you a current utility bill (issued within the last 30 days) and photo ID. The food pantry offers extended evening hours on Tuesday and the hours of operation are as follows Tuesday from 9:30 a.m.- 7 p.m. and Wednesdays and Thursdays from 9: 30 a.m.- 3:30 p.m.

The Elk Grove Township Food Pantry would like to say a giant THANK YOU to the wonderful gardeners of the community who have donated their surplus produce to the pantry. The township and their clients are grateful for your generosity. It can be difficult to afford fresh and healthy food as a low-income family on a budget, but thanks to our community we have been able to provide these nutritious options. As of the writing of this article, over 1,200 pounds of fresh produce has been donated. Thank you so much!

LIHEAP CHANGES

The LIHEAP (Low Income Home Energy Assistance Program) program year will begin on October 2, 2023, and will run until August 15, 2024. To help the most vulnerable populations within communities, there will be two (2) priority periods where only select households will be eligible to apply before the program is offered to all eligible Cook County residents.

Priority Group 1: Beginning October 2, 2023, households with a senior (60+), person(s) with a disability, and families with children under the age of 6 can apply for LIHEAP benefits. This population is also eligible to apply for furnace repair or replacement. The Furnace Assistance program will be available until May 31, 2024, or until funds are exhausted.

Priority Group 2: Beginning November 1, 2023, households disconnected from one or both utilities or in danger of being disconnected from one or both utilities can apply for LIHEAP benefits. This population is also eligible to apply for furnace repair or replacement. The Furnace Assistance program will be available until May 31, 2024, or until funds are exhausted. Note: During the month of November 2023, households with seniors, disabled individuals, and/or children under the age of 6 can also apply.

All Cook County Households: Beginning December 1, 2023, all other Cook County households may apply for benefits. Note: During the month of December 2023, through August 15, 2024, or until funds are exhausted. All Cook County residents can apply, including households with seniors, disabled individuals, children under 6 and/or disconnected/imminent disconnected households.

There will be no new PIPP or LIHWAP enrollments this program year, PY2024.

Household Size	30 Day Income
1	\$2,430
2	\$3,287
3	\$4,143

EMPLOYMENT SUPPORT CENTER

Elk Grove Township is working to meet the needs of the local community. We can assist you with your job search by providing information, assisting with resumes and cover letters, interview/networking skills, etc.

Contact 224-222-0935 to schedule an appointment.

MOBILE DENTAL CLINIC

The mission of the Mobile Dental Clinic is to provide a dental home for community members who do not have access to care due to financial barriers. The MDC is a partnership with Northwest Community Healthcare, Elk Grove Township, Wheeling Township, Schaumburg Township and Palatine Township.

The MDC provides complete dental care for the entire family. To be eligible for services, patients must be a resident of a participating Township and have an income at or below 200% of the federal poverty level.

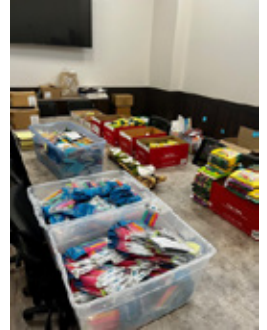

To make an appointment, you must first be screened by the Social Services Department at Elk Grove Township. Once qualified, patients will be given the phone number of the dental clinic to make their appointment.

Call 224-265-6111 to get started.

THANK YOU!

We would like to thank everyone who contributed to our BACK TO SCHOOL BLAST OFF! With your donations, we were able to supply 19 schools within Elk Grove Township with supply essentials.

SHIP COUNSELING

Hope for the Holidays

With the holiday season quickly approaching, we invite you to help us make this year one to remember for our neighbors in need. Please consider participating in one of our holiday programs. For more information contact 224-265-6111.

THANKSGIVING DONATION DRIVE

We are asking community members to help us ensure each Township resident who utilizes our food pantry receives a Thanksgiving meal. Because our pantry usage has increased by nearly 150% in the last four years we will be holding a monetary drive to make that happen. These funds will be used to purchase items for a complete Thanksgiving meal for our food pantry clients.

Follow our progress in reaching this goal on our social media pages. Donations can be made with the form found in this newsletter, the attached QR code, or directly on our website www.elkgrovetownship.com.

Holiday Gift Drive

Donor Registration Now Open!

Sponsor a child or children in the community by providing families with a \$50 gift card to a local retailer. This is a gift that gives TWICE! Parents get the joy of purchasing gifts for their children and kids get exactly what they whispered in Santa's ear! Donors are asked to provide a \$50 gift card for each child sponsored. To register, please visit our website www.elkgrovetownship.com or send in the attached form.

OLDER ADULT ANGEL TREE

Beginning October 9th, we will display an 'Angel Tree' in each lobby of the Elk Grove Township building. Low-income Seniors (65+) will be invited to place a gift wish on the tree to receive from a generous community member. We invite you to visit the Township after October 9th during normal business hours (9 a.m. - 4 p.m. M - F) to take an ornament with the designated wish and make a Seniors holiday MERRY and BRIGHT!

Participants will receive detailed instructions for dropping off gifts after they pick up their wish at the Township building.

Youth Services

As the seasons change, we explore the beauty of traditions, the warmth of routines, and the joy of creating lasting memories across generations. The Holiday season is a great time to foster a sense of belonging that binds us together.

Traditions That Unite Us:

Traditions are a great opportunity for connections among individuals and generations within a community. They provide a sense of continuity and identity, reminding us of our shared history and values. When we engage in traditions together, we are not only participating in the activity; we are participating in a collective experience that has been passed down through time.

Traditions help young people feel grounded in their community's culture and history. They offer a sense of belonging, as youth become part of something larger than themselves. Whether it's an annual holiday parade, a cultural festival, or volunteering, traditions bring people together, fostering relationships and creating a feeling of togetherness.

Routines That Connect Us:

Routines are the daily practices that link us to one another and our environment. They establish a sense of predictability and stability in our lives, creating a comforting rhythm that extends beyond our individual experiences. When youth and community members engage in similar routines, even something such as a morning mindfulness session or weekly exercise class, they create opportunities for regular interactions and shared experiences.

Routines help build familiarity and trust among people. They provide a chance for youth to interact with different generations, creating a bridge between age groups. Shared routines encourage conversations, exchanges of advice, and the formation of mentorship relationships. Through routines, youth can connect with older community members and gain valuable insights and wisdom.

Creating Strong Memories Together:

Memories are the treasures we carry with us throughout our lives. When we create memories together, we are crafting moments of joy, laughter, and connection that become the foundation of our personal narratives. These shared experiences leave a lasting impact on our well-being and sense of self.

Creating memories with multiple generations deepens understanding and empathy. When youth engage in activities with older community members, they learn about different perspectives, stories, and life experiences. These interactions help break down generational barriers and stereotypes, fostering a sense of unity and appreciation for a diverse tapestry of human lives.

In summary, traditions, routines, and creating strong memories together are the building blocks of a strong and harmonious community. They provide a sense of belonging, foster connections between generations, and contribute to the overall well-being and vitality of both individuals and the community. The Elk Grove Township Youth Services Department proudly serves Township residents with an array of programs intended to empower area youth. Initially launched in 1972, the Youth Services Department has served thousands of residents, encouraging youth to actively participate in these aspects helping them grasp the importance of community bonds, and equipping them with the keys to contribute to a positive and inclusive environment.

Adult and Family Counseling

Attention-Deficit/Hyperactivity Screening for Youth

Elk Grove Township Adult and Family Counseling Program offers comprehensive ADHD Screening for youth ages 6-21. Objective tests used in the screen include the BASC-3 which evaluates social, emotional, and behavioral functioning, the TOVA (Test of Variables of Attention) visual computerized test, and the CAPS (Clinical Attention Profile Scale). A mental health professional implements these measures and interviews the child and family and gathers information from the schoolteachers. The results of the BASC-3, TOVA, CAPS, and clinical mental health interviews are compiled, and the therapist writes a report with recommendations. The counselor meets with the parents to review the findings and at that point, a copy can be sent to the school if requested. Parents may also take the findings to their pediatrician for further consultation regarding medications or other treatment options. If the child does not show signs of ADD/ADHD, the results may point to other possible explanations for the child's difficulties such as mental health, emotional, or other psychiatric problems.

Children are referred for screenings by school personnel (teachers, school social workers, school psychologists) or parents who suspect the child may have an attention-deficit/hyperactivity problem.

White Christmas!

We invite residents to assist our neighbors in need with our annual White Christmas Drive. The drive is collecting new toiletries, such as soap, shampoo, toothpaste, deodorant, feminine hygiene products, paper towels, etc. No one should have to go without basic necessities and we want to make sure that the residents of Elk Grove Township have the essentials they need to stay clean and healthy.

Local food pantries like ours and SNAP are able to assist with food needs, however, it is important to note that SNAP benefits, also known as food stamps, cannot be used to purchase toiletries. This is because toiletries are considered non-food items.

The "White Christmas" toiletry drive is a great way to help those in need this holiday season. You can also assist by taking up a collection in your neighborhood, school, or church. By donating toiletries, you can help make a difference in the lives of people who are struggling.

Veterans Services

A Veteran Service Officer (VSO) is a fellow veteran who is an expert on federal, state, and local veteran resources. The Township's Veterans' Service Officer has over 10 years of experience and is trained and accredited by the US Department of Veterans Affairs to provide free assistance to veterans and their dependents and survivors. Services include not only applying for federal and state benefits but their core value is to connect with Cook County veterans to facilitate federal, state, county, and locally offered resources, assist veterans, dependents, and survivors with benefits regarding health, education, retirement, housing assistance, and home loans, help veterans find jobs by connecting them with service providers, identify veteran concerns to provide proper resources, and many more. Whether you have a specific question

or would simply like help to identify programs and benefits for which you may be eligible, our Veteran Service Officer is here to help. Please contact Walter L. Wilson directly at 224-265-6112 to schedule an appointment or to find out more information about this service. VSO hours of operation are Tuesday through Thursday from 9 a.m. to 4 p.m.
