 - A. Public Comments.
 - a. Heather had questions for Highway Commissioner Niewiardowski regarding the clean-up in her neighborhood of cat tails and other vegetation that was completed by the pipeline company that owns the property. She inquired if that if there are future issues should they work with the property owner directly. The Township responded that if there was anything that could be accomplished by the Township making follow-up phone calls to clear up the area to let us know and we would provide assistance.
 - b. Dawn made a statement addressed to the Highway Commissioner that it was her understanding that the culvert pipes in the area where she lives (Rappolo) were going to have the drainage pipes replaced. Highway Commissioner Niewiardowski responded that it was never planned to replace the culvert pipes on Rappolo and the plan was always to repave the two remaining roads in that area.
 - B. Board Comments. None
- IV. Adjourn. There being no further business a motion was made by Trustee Satern and seconded by Trustee Niewiardowski to adjourn the meeting. The motion passed on a voice vote and the Hearing was adjourned at 7:01 p.m.

Respectfully Submitted,
