

The 2022 Triennial Reassessment notices for Elk Grove Township have been mailed out by the Cook County Assessor's Office. We will be open to take assessment appeals starting Thursday, August 4th and ending on Thursday, September 1st. If you believe you are over-assessed, we will assist you in researching comparable properties and submitting the appeal.

We strongly recommend that you call us at (224) 265-6110 to make an appointment or email us at egtappeals@elkgrovetownship.com. When you call us, you will have the option to leave a message there. Please state your name, Property Index Number or address, phone number, and email, if you have one.

If you prefer assistance in filing your appeal, these are your options.

1. Elk Grove Township Assessor's Office will file your appeal electronically, if you call us with your information.

We will send you a confirmation by email.

If you don't have an email address, we will send it in the mail.

2. If you prefer to file your own appeal on the Cook County Assessor's website, cookcountyassessor.com, we will be more than happy to send you comparable properties via email.

We would like to remind you that during this time, we will be extraordinarily busy and ask for your patience and understanding. We will respond to you in an efficient manner.

Please enter the building on the East side near the flagpoles.
