On May 12th the assessor's office, along with T.O.C.C., sponsored an educational program in the Township Hall looking at procedures that can help in handling the large influx of taxpayers seeking assistance in a triennial reassessment year. Approximately 40 people attended the session. On Monday, May 16th the township hosted the first Reassessment Outreach Program which was sponsored by C.C.A.O and several elected officials. The response was overwhelming and it proved to be the peak service day. The wait for taxpayers seeking advice or assistance with property tax appeals or certificates of error reached 2 ½ hours at one point during the day. The second Reassessment Outreach Program day at the Township will be held on Wednesday, June 1st. For the convenience of township taxpayers, Assessor Carosielli noted that her office was open on Saturday, May 14th and May 21st. Assessor Carosielli also shared a letter with the Board from a taxpayer thanking the assessor's office for their assistance and professionalism.
 - B. Highway Commissioner: Commissioner Niewiardowski submitted a written report. He noted that with the heavy spring rains, his department has been inundated with calls regarding flooding and standing water.
