- III. **Presentation of Proposed Traffic Plan by Sergeant Matt Brown – Cook County Sheriff's Department** Sergeant Brown reviewed the signage plan, showing the location of No Left Turn for Trucks and No Right Turn for Trucks and Weight Limit 5 Ton signs. Additional signs include more Stop signs, Resident Only Parking signs and a 20-mph speed limit sign (Roppolo). Dierking is a village street and will need to stay at 25 mph per Elk Grove Village.  
  
Supervisor Busse spoke about implementing the plan. The signs for Dierking can be ordered now. The other streets are Cook County streets and we are awaiting approval on the signs from the county highway department.
  
- IV. **Public Comment** Residents shared that most truckers are going slow but many cars are speeding down the streets. They said that Tuesday days and Friday evenings are very busy times on the roads. Sergeant Brown encouraged the residents to contact the sheriff's department when it is busy and there are problems, and to write down truck information if possible.  
  
Supervisor Busse asked about the Elk Grove Township Rural Fire Department's financial difficulties and possible solutions. The following discussion included talk about an IGA that has been proposed by several nearby municipalities to deal with the issue.
  
- V. **Adjourn** The meeting was adjourned at 7:30 pm.
