PUBLISHED JANUARY 2022

George K. Busse  
Township Supervisor

## A Message from the Supervisor...

Happy New Year! I hope 2022 proves to be a wonderful year for you and your family.

I want to personally thank all the generous families and businesses who donated or are donating to our Thanksgiving, Christmas, and Snow Angel programs. We were able to distribute over 260 Thanksgiving baskets and we're on track to provide a record number of Christmas gift cards and winter jackets to residents in need. Your support allowed us to make the holidays a little brighter for many more families.

In addition to our holiday programs, we are truly amazed at the support our food pantry consistently

receives. We have been able to keep our pantry shelves stocked with food throughout the year despite a dramatic increase in usage. The food pantry is currently serving over 1000 residents per month which is up from an average of 490 visits early this year. Without the tremendous support of generous donors, it would be hard for us to keep up with the ever-increasing need.

Finally, I am proud to announce that for the ninth consecutive year the Township has not increased its tax levy. The Township continues to account for less than 1% of your property tax bill. This is despite an increasing list of valuable social and taxpayer services that we offer our community. One of the new services we recently added helps our community's veterans. Walter Wilson, an accredited and experienced Veterans Service Officer (VSO), will be available four days a week at the Township to assist veterans, their dependents, and their survivors in understanding and applying for local, state, and federal military benefits. These benefits include health services, educational programs, retirement, and home loans. As a Navy veteran myself, I know how valuable assistance in navigating the often-complicated military benefits program can be. I am honored and excited that we can now offer, at no cost, this important resource to our local service members.

Please take the time to learn about the services we provide for families, youth, seniors, and taxpayers. You or someone you know may greatly benefit from the assistance we can provide.

George K. Busse

## Assessing the Situation

Connie Carosielli  
CIAO Assessor

My staff and I want to wish you a Happy and Healthy New Year! Although 2021 presented us all with problems to overcome, we hope that the procedures within our office that have been modified for your safety and convenience will be welcomed.

As of this writing, our taxpayers have yet to be notified of the results from assessment appeals filed in 2021. Until this occurs, the Cook County Board of Review cannot be opened for further appeals.

When the Board of Review opens Elk Grove Township, we will post it on our website and notify those of you who are on our email/phone lists.

The procedures to file with the Board of Review will remain the same as last year. If you are familiar with the Online appeal process, my office will be more than happy to send you comparable properties via email, and you can file an appeal on your own by going to the Board of Review website: [www.cookcountyboardofreview.com](http://www.cookcountyboardofreview.com).

If you would prefer, you may call us at (224)265-6110 and we will assist you over the phone with your appeal.

You may also use our dedicated email address: [www.appeals@elkgrovetownship.com](mailto:www.appeals@elkgrovetownship.com)

Lastly, please feel free to come in the office at 600 Landmeier Rd., Elk Grove Village. For your convenience, please call first and make an appointment with a staff member. This will eliminate prolonged waiting periods, although an appointment is not required.

We strongly encourage calling or emailing us first. If we are unable to answer your call, please leave a voice mail and we will return your call as soon as we possibly can.

As we approach February, we should have the updated forms for filing exemptions. Again, please call first so that you are bringing the correct documentation for the exemptions you qualify for. It will be our pleasure to file these for you with the County Assessor's office.

At this point in the pandemic, we are still requiring face masks, and have hand sanitizer available for your use. I'm sure you will agree with me, we all look forward to the time when things return to "normal".

## Clerk's Corner

Suellen Satern  
Township Clerk

I'd like to wish all of our Elk Grove Township residents a happy and healthy New Year! I know we are all hoping that more aspects of our life will get back to normal in 2022. I have been in my new role as Township Clerk for over 6 months now, and I'd like to highlight some information that you may find helpful.

If you want to know more about the services that our township provides, please check out our website: [elkgrovetownship.com](http://elkgrovetownship.com), or check out our page on Facebook. We are adding new services all the time, including services for veterans and weekly wellbeing checks by phone for seniors.

Another way to learn more about what the township is all about is to watch one of our board meetings, which you can find by going to YouTube and typing in Elk Grove Township. During our board meetings we have been having the different township departments give an overview of the services that they provide, so you can learn more about our food pantry services, our bus rides for seniors and the disabled, and many other services.

One of the areas under the responsibility of the Township Clerk is Elections. To learn more about upcoming local elections and registering to vote you can go to the Cook County Clerk's website: [cookcountyclerkil.gov](http://cookcountyclerkil.gov). It is very user friendly and if you click on Elections, you can find out who your current elected officials are, what your voter registration status is, how and where you can register to vote, details about upcoming elections, election results and how to become an election judge.

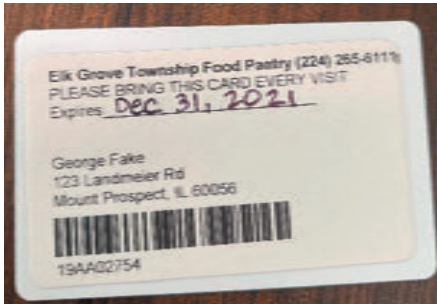

Our next election is not until June 28, 2022 and it will be the primary for the election of our next governor - a very important election. All the details about voter registration deadlines and early voting can be found at [cookcountyclerkil.gov](http://cookcountyclerkil.gov). I hope you will all participate in this very important voting process - we are blessed to live in a country where we have the right to vote!

Please be careful and stay safe this winter - here's hoping that our snowfall is light and that spring comes early!

## A Good Night's Sleep

Scheduling demands for families are ever increasing. Alarms going off at 6:00a.m, preparing meals, getting ready for school and work, and then the transport. After a full day, some kids go to after school care or an activity, others get on a bus or get a ride home. There may be shuffling back and forth to more activities, grabbing dinner, homework, clean up, errands, and squeezing in some self-care. It's a wonder that kids and parents can fit it all in, wind down, and get enough good quality sleep.

According to Margaret Richards, PHD, a director at the Pediatric Behavioral Health Department at the Cleveland Clinic, "sleep gives cells a chance to regenerate, muscles to repair themselves, and the brain a chance to recalibrate hormone levels that affect mood, appetite and the ability to focus." She further states for children, "sleep really impacts how well kids' brain's function, from how much information they can absorb to how they perform on a test." For example, if a teen stays up late studying for a test and doesn't get enough sleep, he will have a harder time trying to access the information required the next day. Additionally, various studies have shown that lack of sleep can impact many areas of our health, including increased weight gain, academic and work performance, safety, and emotional stability.

Researchers suggest that school-aged children require 10 to 12 hours of sleep, teens about 10 hours and adults require 8-10 hours per night.

**How can we help our children and teens get the sleep they need? How can adults get the sleep we need?**

- 1 First, provide a consistent bedtime routine limiting television, computer, cell phone use.**
- 2 Second, don't allow children and teens to drink caffeinated beverages at night eat sugar, or to take a nap when they get home from school.**
- 3 Third, role model good sleep habits. Teach kids to plan for a reasonable bedtime.**

Help your children determine what time they ought to be going to bed according to what time they need to wake up each morning. For

example, if a third-grader needs to be up at 6:30 and requires 10 to 12 hours of sleep a night, he should be going to bed no later than 8:30. Explain how many hours he has after school to get his homework done, and assist him in creating a rough schedule for his evening hours that allows enough room for schoolwork, activities, dinner, winding down and bedtime. Even if he doesn't hit all the guidelines, you establish every night, he will be learning how to organize his evenings so that he has enough time to sleep — a skill that will serve him well throughout his life.

Despite our best efforts, children and teens may resist our guidelines with protests such as "all my friends are doing it. ..." These are expected. You can simply say, "I understand (smile, and walk away)." Or, "your job right now is to attend school." If you can show me that you can handle it well, and make good and healthy choices, I'll support you.

# Ways to Donate

## Elk Grove Township Community Empowerment Fund

The Community Empowerment Fund is funded 100% by community donation. There are NO township funds to draw from. This is why we need the help of the community in order to

assist our neighbors in need. Please consider a non-restricted monetary donation.

We are proud of the assistance that the Elk Grove Township Community Empowerment Fund has provided to the community, especially during these unprecedented times.

Since its inception nearly 4 years ago, this not-for-profit, 501(c)3 organization has worked collaboratively with EGT to further the mission and vision of the township by “Empowering People through Community.”

While all township programs are designed to be efficient and thorough, other programs have limitations that, at times, make it impossible to fully resolve a resident’s emergency. The staff at the township is able to use this fund to help residents with needs that may not fall under the guidelines of our other financial assistance programs or when the funding from these other programs is not enough to “fix” a client’s emergency. The goal of the Elk Grove Township Community Empowerment Fund is to fill those gaps and assist residents in need who are working toward self-sufficiency.

Types of emergencies we have been able to help resolve include, housing, utilities, emergency medical needs, transportation to work/medical appointments, etc.

To help fund this exciting program, please make your tax-deductible donations to:

Elk Grove Township Community Empowerment Fund,  
600 Landmeier Road, Elk Grove Village, IL 60007.
