Supervisor

A Note from the Supervisor

I hope you are having a wonderful summer with your friends and family. As usual, many individuals and organizations in Elk Grove Township have continued to help us meet the needs of the residents we serve. Thank you to Feed the Children (via the Village of Mt. Prospect),

the Community Character Coalition of Elk Grove Village, St. Julian Eymard Catholic Church, Little Caesar's of Elk Grove Village, Kerry Taste & Nutrition Products and Pinch Provision for your donations of food and personal items. Your donations are a lifeline to so many of our neighbors. I would also like to send an extra special thank you to our local Postal Workers, whose food drive provided over 11,000 pounds of food to the Elk Grove Township Food Pantry. We truly appreciate each and every one of our donors. For more information about our donors and programs please see additional information in this newsletter. Please take the time to read this addition of the Township Newsletter. It is full of important information that can benefit you as well as ideas on how you can partner with us to serve your neighbors. For example, we are having a job fair on August 24th, and we have included a prescription discount card in this issue. Don't forget our "Back to School Blast Off" school supply drive! If you have any questions or need additional information do not hesitate to contact us. Thank you for allowing me to continue to serve you, Michael Sweeney

Elk Grove Township

Welcomes our Summer Interns

In an effort to help educate young adults about the role local government plays and its importance in the lives of local residents, Elk Grove Township has hired two college students as summer interns. They will be exposed to all aspects of township government and will have the opportunity to participate in the development of township programs. Please say "hi" when you visit our offices and help us welcome them to the team:

Real life, REALLY Good Residents

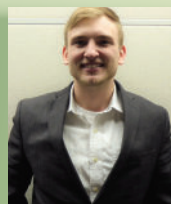

Third Grade students Olivia, Josiah and Stella with teacher Cindy Mudrich helped to organize Salt Creek Elementary School celebration of Random Acts of Kindness Day!

Salt Creek Elementary School celebrated Random Acts of Kindness Day in March by preparing activities for all primary and intermediate students to do during their social/emotional learning time.

Intermediate students creatively painted rocks that they gave to someone to brighten their day. All students wrote thank you notes and colorfully decorated them to give to someone to show appreciation for what others do for them.

Students in grades K-2 beautifully decorated stickers that they attached to the donations Salt Creek families made to the Elk Grove Township Food Pantry hoping to bring a smile to its recipients. It certainly put a smile on our faces!

Kyle Knott is a Senior at Northern Illinois University and a welcome addition to our team. He studies Public Administration and Social Entrepreneurship and is bringing his passion and creativity to the Township. His hobbies include reading and video games.

Lindsey Rayner is a rising Senior in Communication Studies and Political Science at the University of Iowa. After graduation, she plans pursue a career in Local Government; she's excited to be one of the Summer Interns at Elk Grove Township. Lindsey says, "I believe real impact in a community occurs from local organizations like Elk Grove Township"

ASSESSING THE SITUATION

By **CONNIE CAROSIELLI, C.I.A.O.,**

We hope you are enjoying your summer. There is always so much to learn and enjoy. On that subject, the Elk Grove Township Assessor's office is joining with the Cook County Recorder of Deeds to present a very important program:

TOPIC I: Transferring your home, car, and bank accounts after death and avoiding probate

TOPIC II: Protect your property from fraudulent recordings

DATE: Wednesday, July 19, 2017

TIME: 6:00 PM

PLACE: Elk Grove Village Council Chambers
901 Wellington Ave Elk Grove Village, IL 60007

Our thanks to Cook County Recorder of Deeds, Karen Yarbrough for bringing this information to our residents.

Your second installment tax bill is due and payable on August 1st. This bill will reflect the exemptions that you applied and qualified for. If those exemptions are not present, please come in and let us help you get a corrected bill.

On May 24th, we closed for assessed value appeals with the Cook County Assessor. For those of you that trusted us with your email addresses and phone numbers, you will be notified when we open for appeals with the Board of Review. We will be happy to include you in this notification, just call our office at 224-222-0939 to give us your information.

Township Board Meetings going Online

Starting with the Township's July 24th regular board meeting the meetings will be video-taped and posted on the Township web page at www.elkgrovetownship.com. There is also consideration being given to posting the meetings on YouTube as well.

While Township meetings are always open to the public and the written minutes are available upon request, video-taping and posting the meetings online will make access to Township deliberations and decisions easier and will enhance transparency. Watch for more details.

Smart Money Classes at the Township

The Mount Prospect State Bank and Elk Grove Township are hosting a series of Smart Money classes this fall at the Township Hall on Arlington Heights Road. The classes will be held in Spanish and in English and will cover basic financial topics such as choosing and maintaining a check book, how to obtain and use loans effectively, and the basics of building and repairing credit. The first Smart Money classes will be held on Tuesday, September 19 at 7:00 p.m. (English) or Thursday, September 21 at 7:00 p.m. (Spanish). The first topic will be "Bank On It". This class will explain the major types of insured financial institutions, explain the primary reasons for using a bank, describe the steps involved in opening a bank account, identify the types of deposit accounts, and explain the bank services that should come with deposit accounts. Participants will receive a take home guide that provides a summary of information provided in the class. Sign up by calling the Township office at 847-437-0300 or email the Township Administrator at ppioch@elkgrovetownship.com. The Smart Money classes are free.

To find out if you qualify, call **(708) 531-0680**

Access to Care
 FILLING THE GAP FOR THE UNINSURED

www.accesstocare.org

Eligibility is income based: under \$35,000 for a family size of one or under \$71,000 for a family size of four. Access to Care is a not-for-profit program supported by grants.

IMPORTANT Energy Bill Assistance:

This past year, Elk Grove Township began to participate in new programs to help low income households with their energy bills. LIHEAP Programs offered include:

- **Direct Vendor Payment (DVP)/Reconnection Assistance (RA)**

DVP/RA is designed to assist income-eligible households with energy services, in the form of a one-time benefit payment to the utility companies that is applied directly to the household's energy bills. The amount of the payment is determined by income, household size, and fuel type. RA is used to prevent or reconnect disconnected households.

- **Percentage of Income Payment Plan (PIPP)**

PIPP provides a monthly benefit payment to the utilities based on household utility usage and monthly income. The qualifying accounts are enrolled in utility budget billing and customers are required to pay a reduced amount on their utility bills each month to get the benefit payments. PIPP participants who make their utility payments on time will receive credits towards their outstanding balance. **Disconnected households are not eligible.**

- **Furnace Assistance**

Furnace Assistance is designed to restore the home's heating system back to a safe and effective operation. Assistance is only available to approved households that has or are eligible to receive a LIHEAP benefit and whose heating systems are not operational or have been red-tagged by their utility company. The services are free of charge for income qualifying households. Renters are not eligible to apply. Program begins October 1st.

These programs will be offered once again this fall and households are encouraged to apply at their earliest possibly eligibility period which is as follows:

September 1st- Households with a senior member age 60+ or households with a person receiving Disability Benefits

October 1st- Households with one or more disconnected utilities or households with children age 5 and under **Furnace Assistance begins**

November 1st- All Eligible Households

You may call to schedule an appointment for application TWO WEEKS prior to your qualifying date. To do so call 847-437-0300 and speak to our General Assistance office where we will be happy to pre-screen you, set up your appointment, and give you a list of documents necessary for application.

***Addition Programs include Nicor Sharing for those over income for the LIHEAP program and weatherization programs. Please call for more information.

The caring residents and local businesses of Elk Grove Township never cease to AMAZE us! While the late spring and summer months are typically the time of year that our donations are at their lowest, this season was a wonderful exception!

We could never thank each individual for their contribution, but each contribution, no matter the size, is a part of the enormous impact that is made in our community. This month, we'd like to highlight some of the donations that made this season extraordinary.

Feed the Children donation of 200 boxes of food and personal hygiene essentials via generous sharing of the Village of Mount Prospect.

The Community Character Coalition of Elk Grove Village held their annual food drive on May 6th and collected over 1,656 items that our food pantry shared with the Elk Grove Village Food Pantry. Special thanks to Jewel- Osco of Elk Grove Village for your support and allowing collections outside your store

Little Caesars's of Elk Grove Village continues to be a reliable donor and a favorite among the families we serve. To date, they have generously donated over 1,000 pizzas!

In April, St. Julian Eymard Catholic Church of Elk Grove Village donate beautiful spring Baskets to brighten the day of the children we serve.

Donors include:

Starbucks
Meijer
Lutheran Church of Martha
and Mary
Elk Grove Baptist Church
Hope Community Church
Arlington Heights Community
Concert Band
Elk Grove Park District
Grand Prairie Transit
Clearmont School
St. Nicolas Episcopal

Meijer Store Director, John Devore, accepts a Certificate of Appreciation from Board members for Meijer's continued support of our food pantry through their Simply Give program. L to R: Trustees Andrea Koshaba, Dale Niewiardowski, Suellen Satern, John Devore, Supervisor Mike Sweeney, Bob Ingrassia

Kerry Taste & Nutrition Products held a food and personal essential drive at their offices.

Pinch Provision donated over 200 mini bags of personal hygiene/essentials to be included in our monthly food disbursements to clients.

This year's Postal Workers Food Drive was a HUGE success and we were able to stock our shelves with OVER 11,000 POUNDS of food donated by local residents to those in need!

High cost of prescriptions got you down?

Coast to Coast is a FREE program sponsored by Elk Grove Township and it's SIMPLE to use! Here's how: Cut out the card below. Bring your prescription, along with the Coast to Coast card to the pharmacy of your choice. Ask the pharmacist to run your prescription through your current insurance and compare it to the cost using the Coast to Coast card (Your ID# is your phone number!) Choose to use whichever program costs you less--- It's really that simple!

The Youth and Family Services Department Tips from the Parenting Tool Box A Tragedy

Recently, a teen in a nearby community ended his life shortly after being confronted at school for reportedly sharing a video that he had taken (using his phone) of a sexual encounter with a classmate. I can only imagine the embarrassment, shame, and fear he must have felt at that moment, and the pain his family and friends now feel-- such a tragic loss of a young life.

This story prompted us to revisit the subject of electronic devices and social media in our children's lives. Cell phones (and tablets, and computers) are useful communication vehicles for kids. But they have also created an explosion of problems due to their misuse, notably: sexual exploitation of minors by adults, cyber-bullying, sexting (sending inappropriate pictures of one's self to others), sextortion (threatening to send out these pictures if not paid), and other dangerous or hurtful acts. This is a whole new world, and parents need to be informed and armed.

What Parents Can Do

- 1) Accept your role as a parent, and (until they are 18) guide your children.
- 2) Talk with your children about social media, and unacceptable use.
 - A) "Be Careful giving out personal information."
 - B) "There are many internet predators, and they manipulate."
 - C) "Sending out sexual pictures of yourself can lead to trouble with the law."
 - D) "Everything you write or share is out there permanently."
- 3) Set up an electronic station, and all devices are turned in at the end of the day (kids will argue this, or say they need the phone for an alarm. Don't buy it!).
- 4) Get passwords to phone and all social media apps. Do regular sweeps.
- 5) Get "Mymobilewatchdog" (Android) or "Teensafe" (Apple), which gives you access to all messages, pictures, etc. . . ., or Webwatcher.
- 6) Talk more/punish less. You want your kids to come to you when they are being harassed through their devices.

For more information, call the Youth Services Department at 847-981-0373.

Did you know?

Over a year and a half ago, Elk Grove Township formed a group that we call EGTAC. (Elk Grove Township Agency Collaborative) The objective of the group is To afford churches, schools, local government, and agencies the opportunity to hear about the types of services each organization provides in order to facilitate better communication, networking, and referrals with the end goal of better service to our local residents in need. This successful group meets twice a year to discuss topics that impact our residents. At our last meeting in April, we discussed affordable housing. While we may not be able to solve these problems, we are working collaboratively to use resources in the most effective manner possible. The topic of our fall meeting will be mental illness.
