Supervisor

A Note from the Supervisor

I hope you are having an amazing summer! We have some great information to share with you in this issue of the Township newsletter.

Our newest trustee, Richard Keenley, has been on the job for a couple months and is getting up to speed quickly. He is strong addition to the board and is working hard on behalf of all Township residents.

The Elk Grove Township motto is "Empowering People Through Community" and we work with incredible individuals and groups to help those in need. From student leaders at Elk Grove High School to members of TOPS Chapter 151 Mt. Prospect, there are so many people that help make our programs successful. We cannot thank you enough for your generosity. I am truly grateful that you have chosen to work with us.

There are two partners that I would like to highlight; The Des Plaines Healthy Community Partnership Foundation(DPHCFP) and Meijer. DPHCFP recently donated \$2500 to the Elk Grove Township Food Pantry. With this incredible gift, that \$2500 became \$7500 through Meijer's "Simply Give Program." Thank you to DPHCFP and Meijer!

Please take the time to read the information in this newsletter and feel free to contact us if you have any questions. Enjoy the rest of the summer. Thank you for allowing me to continue to serve you.

Michael H. Sweeney

Real life, REALLY Good Residents

"Good leaders must first become good servants."

— Robert Greenleaf

Pictured center, Supervisor Mike Sweeney, with students in the Leadership Through Service class at Elk Grove High School.

Elk Grove High School teacher, Joe Bush, teaches a unique class called Leadership Through Service. The class is a service learning program dedicated to

developing strong leaders and lifelong learners. The students learn leadership strategies, and then implement those strategies through service work. In addition, the class helps students develop strengths and collaboration with one another.

In recent years, Mr. Bush's class has been instrumental in facilitating the "Cereal Bowl" drive at EGHS and has also participated in the two collections the Community Character Coalition of Elk Grove Village holds each year to benefit the two food pantries that serve the village. Their assistance has meant thousands of dollars in additional donations to both food pantries, which means hundreds more residents fed.

These students know the importance of working together in service to the community and exemplify our township motto "Empowering People through Community." Each of them is a real life, really good resident!

More about our New Trustee, Richard Keenley ...

Richard Keenley, of Des Plaines, was appointed to fill the vacancy on the Elk Grove Township Board of Trustees in 2018. Richard graduated from Northridge Preparatory School in Niles, received an Associate's Degree in Business Administration from College of Lake County and a Bachelor's Degree in Computer Applications from Roosevelt University in Chicago.

Trustee Keenley served in the United States Navy from 1984 until 1988 on board the USS Worden, where he achieved the rank of Petty Officer Second Class as an Operations Specialist. He is currently a Senior Laboratory Technician at Hollister Incorporated in Libertyville. Richard is married and has three daughters, who are currently enrolled in or have attended Elk Grove Township Schools. He has been involved in various activities at St Zachary School and Parish in Des Plaines, serving on the Marketing Committee and School Board as well as serving as Athletic Director, a position he currently holds.

ASSESSING THE SITUATION

It's that time of year again, when we have to keep checking our mailboxes for the second installment tax bill. For the last few years, these bills have been on time, however, because of the surge in appeals we have been told to expect a delay. If there is a delay, please know that there is also a change in when your payment is due. You will still have 30 days from the mailing date to pay your taxes.

Connie Carosielli,
C.I.A.O.
Township Assessor

The second installment tax bill is also where you will see your exemptions deducted. If those deductions are not applied and you qualify, please come and see my staff so that we can correct the error.

Because delays are anticipated, we do not know when we will be open for Board of Review appeals. If you have given us your phone number or email, we will advise you as to when to come in. The staff is ready to research comparable properties to substantiate your appeal. I'm pleased to introduce you to one of my fine staff.

Deputy Assessor Annette White

Annette has been a resident of Elk Grove Village since 1995. She joined the Assessor's office in November 2015 and is currently working towards her Certified Illinois Assessing Officer designation (CIAO), which she plans on completing next year. She previously held customer service positions and also has a Bachelors degree in Elementary Education. She lives with her husband Erik, their two teenage sons, and their dog Maggie.

CLERK'S CORNER

So just what do you do? This is a question I periodically hear when someone finds out that I am serving as the Township Clerk. For those of you with this question, I thought I'd provide a quick overview of the Clerk's responsibilities.

George Busse
Township Clerk

- 1) The Clerk maintains all Township records except for active general assistance cases. He/she is required to keep accurate records of all township board meetings and maintain records of the board's executive sessions.
- 2) During Township board meetings, the Clerk records roll call votes. Certain issues, often related to financial matters, require a roll call vote while others can be taken by voice.
- 3) The Clerk serves as the local election authority and is responsible for accepting petitions regarding Township elections and/or referendums.
- 4) As ex-officio clerk of the Road District, the Clerk maintains all records for the Township Highway Commissioner.
- 5) The Clerk must countersign all Road District orders for payment prior to an audit by the Township Trustees.
- 6) The Clerk must witness bid openings for both the Township and the Road District to ensure the proper procedures are followed.
- 7) The Clerk processes all approved claims for payment to the Supervisor.
- 8) The Clerk is responsible for ensuring that official records are disposed of in a timely and lawful manner.
- 9) The Clerk votes at a Township Board meeting when a Board vacancy is being filled and there is a tie vote among the Trustees and Supervisor. (This is the only time the Clerk votes).

The position of Clerk is especially important as it pertains to the maintenance of records. The integrity and accuracy of the Clerk is important for fulfilling Freedom of Information Act requests and in any court action involving the township's official records. While "clerk" may evolve from the word "clerk", the Township Clerk is not the Board's secretary. However, much as a good secretary is a vital cog in the efficiency and effectiveness of any business office, so the Clerk is critical to the operation of Township government.

Free Counseling for Combat Vets

The Vet Center offers free counseling at the Elk Grove Township office to eligible combat veterans and their families. Vet Centers are community based and part of the Department of Veteran Affairs. The goal of the Vet Center program is to provide a broad range of counseling, outreach, and referral services to eligible veterans in order to help them make a satisfying post-war adjustment. **If you are interested contact us at: 847/332-1019.**

Mobile Dental Clinic

There is an undeniable link between overall health and oral health. Studies show that poor oral health may be linked to heart disease, stroke, pre-term childbirth and oral cancer.

The Mobile Dental Clinic program started in 2003 and provides preventive and restorative oral health services to individuals and families who are without dental insurance and who live at less than

200 percent of the federal poverty level. The program emphasizes the importance of overall oral health by helping patients develop a habit of regular cleanings and exams and establishing a permanent dental home.

The staff includes a full-time dentist, program manager, and dental assistant. Volunteer dentists, hygienists, and assistants also provide hundreds of hours of care along with University of Illinois-Chicago (UIC) Colleges of Dentistry fourth-year students.

Elk Grove Township residents are screened by the township's General Assistance staff to determine eligibility for treatment. A \$30 co-pay is charged for each adult appointment and there is no co-pay for children. For more information and to schedule an appointment, please contact

Elk Grove Township
General Assistance Office at 847-437-0300.

Can you help?

Volunteers provide a significant amount of support for the Mobile Dental program. The clinic is currently seeking dentists and hygienists who can donate their time by providing patient care. If you are interested in volunteering, please contact Jessica Vavra, Program Manager, at 847-618-5573 or jvavra@nch.org for additional information.

TOPS Chapter, 151 Mt. Prospect, has been holding weekly meetings at the Martha and Mary Lutheran Church in Mt. Prospect for many, many years. The members wanted to support the community, so they incorporated bringing food pantry donations to some meetings and into their weight loss incentive contests!

When they read in the last Elk Grove Township Newsletter about the special need for non-food items (paper towels and laundry detergent), they decided to ramp up their efforts to make a difference. **TOPS Chapter 151** donated about two dozen bottles of laundry detergent and over four dozen paper towels! They hope to encourage the dozens of TOPS area chapters to join IL 151 MP in making a difference in our community while continuing to strive to Take Off Pounds Sensibly!

We have a new face for the summer!

“Empowering People through Community” isn’t just our township slogan, it’s something we do every day. We take our responsibility to our residents seriously and because of that, we make it a priority to help inform and train tomorrow’s leaders. This year, we welcome our newest, bright college student, Kira. Please join us in welcoming her to Elk Grove Township.

Kira is a senior at Loras College in Iowa and is majoring in Social Work and Psychology and plans to pursue a Master’s degree in Social Work after graduation. She is doing her internship in the General Assistance office.

Here’s more about Kira, in her own words:

“In addition to academics, I am on the Women’s Volleyball team as well as the Campus Activities Board at Loras. I enjoy being outdoors, spending time with my family, and spoiling my niece and nephew.

I chose the internship position at Elk Grove Township because I was interested in learning more about the services and various organizations available in the community in addition to getting hands-on experience. I grew up in Mount Prospect and plan to return after graduation to serve as a social worker in my community.

I look forward to forming new relationships and learning more about the needs of the township and surrounding communities. I hope to improve my knowledge about resources in the area and improve various skills necessary for Social Work. “

Senior Transportation

The Elk Grove Township Transportation department offers curb-to-curb service to senior citizens (over 55) and disabled residents (over 18).

Youth and Family Services Department

Keys to Parenting Teens: From the Parenting Tool Box

1. Giving kids “some” leeway—this helps them establish their own identity.
2. Choose battles wisely. Enforce major rules, let go of small things.
3. Invite their friends to come over to your house--get to know them!
4. Decide rules and consequences in advance so your teen knows them.
5. Find ways to have your teen check in with you when they are out.
6. Have discussions with your teens about risks, drugs, drinking, driving, sex, appropriate use of social media, etc . . .
7. Discuss giving teens plans when they are in unsafe situations, getting into a car where friend is drunk and plans to drive, have them feel comfortable to call you, maybe use a code word.
8. Keep lines of communication open with teens who don't usually like to share. Ask questions and share your day with teens, or tell teen, “I know you may not feel like talking about what's going on but if you feel like talking later I'm here.” Have them daily tell you one positive thing that happened.
9. Let kids deal with the natural consequences of their choices, including, when appropriate (they violate a key household rule), your disappointment.
10. Always be a role model--your actions and words help teens adopt good moral and ethical standards. They learn by what they see.

Some of the programs offered by Youth and Family Services Department of Elk Grove Township:

Counseling

The Youth and Family Services Department offers Elk Grove Township residents individual, couples, and family counseling services. The most common reasons for calling the department are parents experiencing problems with their children, such as misbehavior, family conflict, attention problems, anxiety, or depression.

The friendly Department therapists provide solution-focused, nonjudgmental counseling. For more information, call Dean or Robin at 847-981-0373.

Life Skills Groups through the Challenge Program

The Challenge Program helps children develop social skills and leadership through experiential learning in small groups. We offer groups for Autism Spectrum Disorder (ASD) children, children who have trouble making friends, for girls (girls empowerment), bullying prevention, and others. We also offer team building for groups such as boy scouts, girl scouts, sports teams, and church groups. For more information, call Renee at 847-981-0373.

The Truth about Payday Loans

Payday loans are easy to get and don't require any sort of credit check, but are they really a good idea?

A payday loan is a small cash loan given to an individual with the expectation that the will be repaid with their next paycheck. These loans usually carry a high price tag. Finance charges are from 15 to 30 percent of the amount being borrowed. Since it's 15 to 30 percent on just a few weeks, it's comparable to getting a loan with an annual percentage rate of nearly 800%!

There are many alternatives to getting a payday loan. The best thing you can do to avoid these types of loans is to create a budget so that you afford to pay the bills. Cut out as many unnecessary purchases as possible. Put that money into a savings account!

If you find yourself in a financial emergency, please call our General Assistance Office for more information about programs and agencies that might be able to help or to ask basic questions about credit! Call 847-437-0300

Our Public/Private Partnership Program is a mouthful, so around the office, we refer to it as "P-Quad." Our P-Quad program is based on a simple premise: We can't do it all alone. We also know that there are hundreds of businesses in our

community that want to help and get involved, but they don't know how. To participate is easy, give us a call. We will keep you informed about events coming up and find ways that your company can get involved (with as much or as little involvement as you choose). You can also post local jobs, participate in job fairs, and of course, we are always seeking donations for programs and our food pantry! Your generosity means you will have our gratitude, but more importantly, you can make a huge impact in our community!
