PUBLISHED SEPT. 2020

Michael H. Sweeney
Township Supervisor

A Message from the Supervisor... Although we have faced many challenges over the past 6 months, I hope that you have been able to find some down time and enjoy your summer. At Elk Grove Township we understand that many individuals and families are still facing some hardships related to COVID-19 and we are here to help. If you or someone you know has faced a job loss or a reduction in hours there are many ways Elk Grove Township can provide rental assistance, food resources, and other support. Please contact us and we can work with you directly and through our partners.

Please take the time to read about township services and programs in this newsletter. I would like to draw your attention to our Thanksgiving and Operation Christmas programs. If you can help those in need during the upcoming holiday season, I ask you to consider donating to these important campaigns. With your help we will make a positive impact in the lives of our neighbors in need. I appreciate your consideration and support.

Remember to vote November 3rd. Our Clerk George Busse has provided important information about the election in his article.

Stay safe and healthy and please contact us if we can help in anyway.

Thank you for allowing me to continue to serve you.

Assessing the Situation

By the time this newsletter reaches your mailbox, we have been closed for appeals with the Cook County Assessor. When their work is finished with those appeals, we will open to take appeals to the Cook County

Connie Carosielli
CIAO Assessor

Board of Review. We do not know the date that we will be open for those appeals, however, if you check our website, www.elkgrovetownship.com and go to the Assessor's page, we will keep it updated. We will also contact you by email or phone if you have registered with us.

Just under 1,000 appeals were filed by my staff on your behalf. We will be using the same protocols for filing with the Board of Review. We have had many compliments from our taxpayers that the new system is much more convenient for them.

To contact us, we strongly recommend that you call our direct phone number, (224)265-6110 or send an email to our dedicated email: egtappeals@elkgrovetownship.com. Please always include your name, Property Index Number or address, phone number, and email, if you have one.

If you are familiar with the online appeal process with Board of Review, my office will be more than happy to send you your comparables via email so you can file an appeal on your own on the Board of Review website, www.cookcountyboardofreview.com. You can also call or email our office and we will assist you with any questions that you may have in filing your online appeal. Copies of your appeal can be sent to you via email or USPS.

It has always been part of our service to hold annual educational outreach programs for you with Dan Patlak and the staff of the Board of Review. The pandemic has altered those plans for obvious reasons. However, you may access Commissioner Patlak's presentation and Q & A regarding that process by going to www.danpatlak.com. Go to "index" and then "videos". I'm sure that many of your questions will be answered. If you still have questions, please feel free to call our office, and we will research the answer.

If, when you receive this, we are still operating under the Covid-19 protocols, they are outlined for you in the July, 2020 Newsletter, or you may call our office for additional information.

Highway Department

As we approach the beginning of the 2020 snow season, the Elk Grove Township Highway Department is well prepared for anything that Mother Nature might bring. We have a commitment to maintain Township roads and keep them free from ice and snow.

Art Niewiardowski
Highway Commissioner

Please remember to check and be sure that drainage areas and culverts are free of any debris that might reduce the drainage of melting snow near other property owners' areas. This will help the flow of melting snow, and will help reduce flooding.

Lastly, please do not discharge any snow from private areas onto any streets. This practice is not only inconsiderate to our neighbors and the general public, but is also illegal. In the past, Cook County Sheriff's Police have been aggressively monitoring and cracking down on such violators.

Township Annual Meeting Coming Soon

The Annual Township Meeting provides Township residents with an update of Township actions and developments over the preceding year. It also provides residents the opportunity to vote on select Township matters and to bring issues of concern before the Board. It is the most democratic forum in the United States today. All residents are encouraged to attend the meeting to stay informed and to be heard. The Annual Township Meeting by state law is required to be held on the third Tuesday of the month of April no earlier than 6:00 p.m. This year, due to the Governor's COVID-19 disaster declaration, Annual Township Meetings were postponed until the third Tuesday of the month after the disaster declaration is lifted. The Governor began lifting the declaration of disaster in June with a five phase reopening plan. The state is currently operating under phase four restrictions and in this phase Supervisor Sweeney and Township Board have decided that it is still too early to hold the Annual Township Meeting due to continued COVID-19 health concerns. Stay tuned for further information regarding meeting developments.

George Busse,
Township Clerk

November Election: Voting and Election Judges

On Tuesday, November 3rd elections will be held for all 435 seats in the U.S. House of Representatives, 35 of the 100 seats in the U.S. Senate and the office of the President. Please exercise your most important right as a citizen of the United States. VOTE! One other reminder, for every election suburban Cook County needs a team of election judges and polling place technicians to serve voters at the polls. These poll workers are paid \$200-\$365 depending on the position they work on Election Day. To be eligible you must be a U.S. citizen, be a resident of Cook County, be a registered voter at your current address in Cook County, be able to speak and write English and be able to perform the duties of the position for which you apply. Junior and senior high school students are also eligible to serve as judges. The same adult judge requirements apply to students with the exception that students must carry a 3.0 GPA on a 4.0 scale.

For more information and to apply for a position contact the County at elect.judge@cookcountyil.gov or call 312-603-0965.

THANK YOU, LOCAL GARDENERS

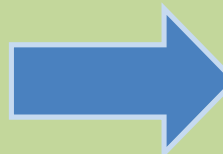

Elk Grove Township would like to say **THANK YOU** to all of the local gardeners who donated fresh produce to our food pantry this summer. It can be difficult to afford fresh and healthy food as a low-income family on a budget, but thanks to our community we have been able to provide these nutritious options. As of the writing of this article, we have received over 500 pounds of food from residents, community gardens, the Park District, Community Solutions of Illinois, and Senator Murphy & the Mercer County Farm Bureau.

SIMPLY **give**

"You never imagine how much one meal matters until you're the one who needs it."

Meijer Rolling Meadows has been a huge supporter of the Elk Grove Township Food Pantry for the last 4 years. Their Simply Give Program matches in-store donations made by customers. This year the Simply Give Campaign began on Sunday, August 23 and will continue through Saturday October 24. This program provides shoppers with the opportunity to purchase Simply Give donation cards that will allow our pantry users purchase meat, seldom donated items, or other vital supplies that are running low or have completely run out.

Thank you to everyone who donated during the Double Match Days!

Mobile Dental Clinic

There is an undeniable link between overall health and oral health. Studies show that poor oral health may be linked to heart disease, stroke, pre-term childbirth and oral cancer.

The Mobile Dental Clinic program provides preventive and restorative oral health services to individuals and families

who are without dental insurance and who live at less than 200 percent of the federal poverty level. The program emphasizes the importance of overall oral health and establishing a permanent dental home.

The staff includes a full-time dentist, program manager and dental assistant. Elk Grove Township residents are screened by the township's Social Services staff to determine eligibility for treatment. A \$30 co-pay is charged for each adult appointment and there is no co-pay for children. For more information and to schedule an appointment, please contact Elk Grove Township Social Services Office at 224-265-6111

Back to School BLAST OFF

A huge "Thank You" to all that contributed to Elk Grove Township's Back to School Blast Off!

The school supplies donated were delivered to all the schools in CCSD59 to be distributed to students in need throughout the district. The students are most grateful as the community has worked together to help "launch" them on a trajectory for a successful school year, despite today's challenging situation.

THANKSGIVING BASKETS

Once again, we are seeking donors who wish to provide a Thanksgiving meal to someone in need. Recipients are low income clients that often use our food pantry. Donors will receive a letter of confirmation in the mail, along with suggested items for a traditional holiday meal.

Note: Only non-perishable items. No frozen foods can be accepted.

After you shop, just put all the items in a basket (laundry basket, cardboard box, be creative!) and deliver it to the township office (West Entrance) no later than **November 16, 2020 at 3:30pm**. Please remember to include a \$10-\$25 gift card to a local grocery store to be used for their main course (i.e. turkey, turkey breast, ham, etc.).

To register as a donor, please fill out the registration form and return it no later than **October 16, 2020**.

OPERATION CHRISTMAS

Participating donors are asked to provide \$50 gift cards to local retailers for each child or low-income senior sponsored. We give those cards to families in need.

For families, it's a gift that gives twice! First, the gift cards afford the parents the joy of purchasing desired items for their children. Second, the children get exactly what they want since parents know what their children need and what they whisper in Santa's ear.

Seniors are given the gift of purchasing items that they might not have otherwise been able to afford like new clothing, shoes, coats, household items, blankets, over-the-counter medical supplies, etc.

Recipients will send receipts for their purchased items back to the township for review so you can be assured that your donation was used appropriately. In order to have them ready for distribution in time for the holiday, donations will be due back to our offices by **December 4, 2020 at 3:30pm**.

To register as a donor, please fill out the registration form and return it no later than **October 16, 2020**.

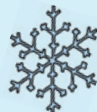

White Christmas

This time of year, need increases, especially for our food pantry users. Unfortunately, they cannot use their federal food stamps (SNAP money) to purchase essentials like cleaning supplies, shampoo, paper towels, Kleenex, toothpaste, deodorant, toilet paper, etc. These necessities are a part of our daily lives, yet expensive to purchase. Our food pantry does the best we can to provide these items to our users, but we need your help. Please consider donating to our "White Christmas" Drive! You can also take up a collection in your neighborhood, school, or church!

Items most needed:

- * Toilet Paper
- * Shampoo
- * Toothpaste
- * Deodorant
- * Laundry Detergent
- * Dishwashing soap
- * Paper Towels
- * Toothbrushes
- * Shaving cream
- * Razors

Donors needed

As the holiday season fast approaches, we wanted to take this time to extend our gratitude to all of you who have donated throughout the year. Since this is the season of giving, we want to share this invitation, not only with our current donors, but to those of you who have wanted to give and were not quite sure how. The holidays are the time for bringing communities together and the perfect time to show a neighbor you care. We have a myriad of ways for you and your family to get involved. Please consider one or all of the programs listed on the previous page. Any and all help is welcome as this time of year we find that more people come to us in need.

The thoughtful people of Elk Grove Township continue to amaze us with their generosity.
May you find **peace** and **joy** this holiday season.

YOUTH SERVICES

The uncertainty over whether schools will be in-person or remote, dealing with the stress of health fears and financial instability, whatever the situation, Youth Services of Elk Grove Township is here to help! Offering a variety of programs to support our residents.

Youth Services is here to provide tips to help kids stay on task during school and homework time offering a variety of turnkey groups to ease the transition to online learning. Registration is now open! To learn more or to register for these free groups, contact Renee Dorn at 847-981-0373 or email rdorn@elkgrovetownship.com.

 **SPACE IS LIMITED**

Stay Focused During Distance Learning

Most parents are not experienced educators, and even for those that are, teaching your own kids is tough! Youth Services staff rounded up some clever tips for setting your kids (and you!) up for success, no matter what school looks like this year.

1 Try movement and humor

Come up with crazy answers so your kids correct you. (This one works every time.)

2 Use natural consequences

"If you really focus, you'll have time for fun when you're done."

3 Give detailed praise

Instead of saying, "good job," say, "You're working hard!"

Multitasking – Distractions – Procrastination. These are often challenging for kids, but never more so than right now. Adult oversight is really helpful, but it is not always possible. After you set expectations with your kids, check out these apps and plug-ins to help them make the best of their schooling.

1 Just Read

Strip out all the ads from your kids' webpages with this plug-in, so they can just focus on their research.

2 Rescue Time

This Plug-in reports on productivity and lets you set limits to either block or allow a specific period of time for certain activities.

3 Bear in Mind

This app allows you to set reminders and create to-do lists to help younger children stay on track.

Helping Kids with Remote Learning in the Age of COVID-19

Well, here we are, in the midst of a pandemic and a constantly shifting terrain about how to live our lives while remaining safe from disease. Most school systems across the country finally opted to begin the year with remote learning, and our kids have been at it for a month.

1

How do we, as parents, best meet the challenges of this period? First, according to experts from Stanford Children’s Health, we must realize that this is all really hard, on everyone, and to not feel undue pressure about making our children’s learning “perfect.” It’s not all on you, so be gentle with yourself! If you notice signs of substantial stress (extreme anxiety, fear, anger, etc.) reach out to a counselor.

2

Second, while schools offer a schedule that closely mimics the regular school day, you can collaboratively create a daily schedule with your child, which also includes things normally part of the school day, such as art, PE, music, recess and lunch. Many kids with special educational needs respond better to tighter schedules, with lots of predictability (put the schedule on a poster board, or dry erase board, and display it where it can be seen).

3

Third, understand that this is different than the abrupt change that shutdowns brought last Spring. Teachers had been gearing up for remote learning, and you should feel free to reach out to them to ask for feedback. One California school district had regularly zoomed with PTA parents during the summer, and parents said that they were simply looking for daily teacher-led instruction, personalized lessons, hewing to standards, graded assignments, and feedback on student progress.

It is really OK to ask your child’s teacher about these things, but remember, too, that teachers are also overwhelmed with all of this—so be kind and understanding. And, perhaps that is the best guide for us all, to be kind to ourselves, listen with care to others, reach out for help when needed, and know that this storm will one day pass, and we will build on our experience to create brighter days ahead.

Community Empowerment Fund in Need of Donations

The Community Empowerment Fund is funded 100% by community donation. There are NO township funds to draw from. This is why we need the help of the community in order to assist our neighbors in need. Please consider a monetary donation.

To help fund this exciting new program, please make your tax-deductible donations to: Elk Grove Township Community Empowerment Fund 600 Landmeier Road, Elk Grove Village, IL 60007

THANK YOU!

We are proud of the assistance that the Elk Grove Township Community Empowerment Fund has provided to the community, especially during these unprecedented times.

Since its inception nearly 3 years ago, this not-for-profit, 501(c)3 organization has worked collaboratively with EGT to further the mission and vision of the township by “Empowering People through Community.”

While all our programs are designed to be efficient and thorough, some of our other programs have limitations that, at times, make it impossible to fully resolve a resident’s emergency. The staff at the township is able to use this fund to help residents with needs that may not fall under the guidelines of our other financial assistance programs or when the funding from these other programs is not enough to “fix” a client’s emergency. The goal of the Elk Grove Township Community Empowerment Fund is to fill those gaps and assist residents in need who are working toward self-sufficiency.

Types of emergencies we have been able to help resolve include, housing, utilities, emergency medical needs, transportation to work/medical appointments, etc.

Schedule your **FREE** confidential consultation today

Whether you are new to utilizing professional financial services, or if you would simply like a thorough second opinion on how your portfolio is being managed, we invite you to contact our office to schedule your no pressure, no obligation appointment.

When you partner with us, we are your advocate.

We work with individuals and business owners to articulate your investing goals, creating a strategy that is consistent with your objectives and values.

Entrepreneurs & Business Owners

We know that running a business can be exhilarating but all-consuming. Let us help you protect your family and your business by building a plan that considers your full financial picture. Whether you need assistance with a company sponsored retirement plan such as a 401(k) or SEP IRA, benefits for key employees, or a business continuity plan, we will help tailor a strategy that suits your needs.

Tax Analysis & Planning

We review your tax return and determine if there are any opportunities to save on taxes. We also review how much tax should be withheld from your investments if you are utilizing them as an income stream. In coordination with your estate planning, we also discuss estate and inheritance taxes and if they will have any implications on your loved ones when you are gone.

Retirement Planning

We assist you with identifying your retirement goals and objectives as well as review your sources of income during your retirement years. Your income sources include things such as social security, pensions, and your other investments that may provide an income stream to develop your "paycheck" in retirement.
