Township Supervisor

A Message from the Supervisor...

I hope you are enjoying your summer. It's nice to have a modest reprieve from Covid 19. That said, we are not out of the woods and I encourage all of you to continue to follow the recommended health guidelines so that we can finally defeat the virus and put it behind us. Your new Township Board has been hard at work adding needed services and improving the services we are already providing Township residents. With the move to an updated, more cost-efficient Township facility largely behind us, we have been able to refocus our attention on

addressing the issues that improve the lives of residents and, most importantly, provide help to those in need. Recently the Township expanded the hours of its Food Pantry to include evening hours. Every Tuesday the pantry is staying open until 7:00 p.m. in order to provide better access for those who find it difficult to visit the pantry during the day. If there proves to be significant demand for the evening hours, the Board will consider adding additional nights. The Township will soon be hosting a Veterans Service Office (VSO) which will aid veterans in applying for federal and state benefits and provide information on resources related to compensation, pensions and healthcare. As a veteran myself, I know how valuable this assistance can be. The Township is also in the process of building new, improved bike safety and youth challenge courses. The old courses were heavily used by the youth of our community for many years (I used the bike safety course so it might be for centuries). We look forward to being able to open the courses later this fall or next spring. These are just a few of the service improvements and additions the Township is putting in place. There are more to come, and they are all coming without an increase in your taxes!

Have a happy and healthy fall. Thank you for allowing us to be able to serve you.

CIAO Assessor

As of this writing, we await the results from the appeals filed with the Cook County Assessor. Once those results are published, we will anticipate the opening of the appeal period with the Cook County Board of Review. That 30 day window to appeal has yet to be determined. However, we will attempt to keep you informed through our website, email and phone list.

Important: Please check your second installment tax bill to make sure that your exemptions have been properly applied. Due to errors at the Cook County Assessor's Office, many exemptions have been dropped. If you find that you are among them, please come in and we will attempt to correct the error.

The procedures to file with the Board of Review will remain the same as last year. If you are familiar with the online appeal process, my office will be more than happy to send you comparable properties via email, and you can file an appeal on your own by going to the Cook County Board of Review website, www.cookcountyboardofreview.com.

If you would prefer, you may call us at (224-265-6110) and we will assist you over the phone with your appeal. You may also use our dedicated email address, www.appeals@elkgrovetownship.com to ask for assistance with filing.

Lastly, please feel free to come into our office at 600 Landmeier Rd., Elk Grove Village. For your convenience, please call first and make an appointment. This will eliminate prolonged waiting periods, although appointments are not required.

We strongly encourage calling or emailing us first. If we are unable to answer your phone call, please leave a voicemail and we will return your call as soon as we possibly can.

We have installed hand sanitizer stations and protective barriers at our counters and desks to help ensure the health and safety of both my staff and the public.

We would like to remind you that during the appeals period we will be extraordinarily busy, and we ask for your patience and understanding. Please keep in mind that there will most likely be waiting time, whether it be in person or waiting for us to return your phone call or email, but rest assured, we will respond to you in an efficient manner.

Hello parents,

In this newsletter, I wanted to take the opportunity to check in with you as a parent.

As a mother of three, I watch first-hand the ever-changing world that we as parents must navigate. We do our best to support our children with school, friends, sports, and other social situations. It seems like this past 18 months all of our youth have struggled with so many challenges. As adults, we know we will get through and utilize a lifetime of skills to navigate and push forward. Unfortunately, our children do not have the same amount of experience in their lives.

To help us understand our kid's perspective, a year of a 10-year-old's life is 1/10th of their life! We remember that growing up and going to school was difficult enough without Online learning, hybrid learning, vaccines, and physical distancing in school classrooms.

As we design our programs each season, we keep the current needs of youth in mind...

- Does your child need help to manage stress or anxiety especially dealing with this “new normal?”
- Does your child's voice need to be heard with peers?
- Does your child struggle in high school with all of the responsibilities placed on them?
- Could your child (and the whole family) benefit from slowing down and just taking a breath?

You will find below a list of our current programs addressing the above concerns. Even though our groups started in September, they are open to enrollment throughout the Fall.

To register for any groups or suggest a group for your child's school, email Renee Dorn at RDorn@elkgrovetownship.com or call 847-981-0373. We look forward to connecting with you, discussing your child's needs, and what we can do to help support them in this ever-changing world. You are not alone. You may help us create a new group not only for your child but others in the township.

Does My Child Have ADHD?

Does my child have ADHD? This question is often asked by many parents, as they hear reports of their child not paying attention in school or find them not listening at home, and they wonder if this is just normal or something else. The best way to start this conversation is to understand what ADHD is. Attention deficit hyperactivity disorder

(ADHD) is a neurodevelopmental disorder that can affect a child's success at school, as well as their relationships. ADHD can also impact a child's self-esteem because it's more difficult for them to stay focused which may cause them to feel incompetent or "dumb". The symptoms of ADHD often vary from child to child even if they are siblings. Younger children may show more symptoms of hyperactivity than older children (who may be more impulsive). As a parent who has raised 2 children diagnosed with ADHD I know this can be difficult. But with **a lot of patience** and treatment, children can learn to adapt and become competent and successful adults.

Here are some common signs of ADHD in children:

1. **Self-focused behavior.** This looks like an inability to recognize other people's needs and desires, which include interrupting when others are talking, trouble with waiting their turn and even butting into conversations or games they're not part of.
2. **Emotional turmoil.** Children may have trouble with keeping their emotions in check. They may have outbursts of anger at inappropriate times. Younger child may have temper tantrums.
3. **Fidgeting.** Children with ADHD often can't sit still. They may try to get up and run around, fidget, or squirm in their chair when it's required to sit (often seen in school). It may also be difficult for them to play quietly or engage calmly in activities.

4. **Unfinished tasks.** Children may be interested in lots of things, but they may have problems finishing them. For example, they may start projects, chores, or homework, not finish, and move on to another thing.
5. **Lack of focus.** Children may have trouble paying attention even when someone is speaking directly to them. They may say that they heard you but won't be able to repeat back what was said. This can also cause a child to avoid activities that require constant mental effort, such as paying attention in class or doing homework.
6. **Mistakes.** Kids may have trouble following instructions which can lead to careless mistakes; but it doesn't mean their lazy or lacking intelligence. In fact, many ADHD kids are very bright.
7. **Daydreaming.** A child with ADHD may stare into space, daydream and ignore what's going on around them.
8. **Trouble with organization.** An ADHD child may have trouble keeping track of tasks and activities which can cause problems at school with prioritizing homework, school projects, etc. A child's desk or locker maybe extremely messy where finding things is impossible.
9. **Forgetfulness.** Kids with ADHD may forget to do daily activities. They may forget to do chores or their homework. They may also lose things often, such as toys.

To find out if your child has ADHD, call the Adult & Family Counseling Department for an ADHD screen at 847-981-0373.

Ways to Donate

The Community Empowerment Fund is funded 100% by community donation. There are NO township funds to draw from. This is why we need the help of the community in order to assist our neighbors in need. Please consider a non-restricted monetary donation.

We are proud of the assistance that the Elk Grove Township Community Empowerment Fund has provided to the community, especially during these unprecedented times.

Since its inception nearly 3 years ago, this not-for-profit, 501(c)3 organization has worked collaboratively with EGT to further the mission and vision of the township by "Empowering People through Community."

While all township programs are designed to be efficient and thorough, other programs have limitations that, at times, make it impossible to fully resolve a resident's emergency. The staff at the township is able to use this fund to help residents with needs that may not fall under the guidelines of our other financial assistance programs or when the funding from these other programs is not enough to "fix" a client's emergency. The goal of the Elk Grove Township Community Empowerment Fund is to fill those gaps and assist residents in need who are working toward self-sufficiency.

Types of emergencies we have been able to help resolve include, housing, utilities, emergency medical needs, transportation to work/medical appointments, etc.

To help fund this exciting program, please make your tax-deductible donations to:

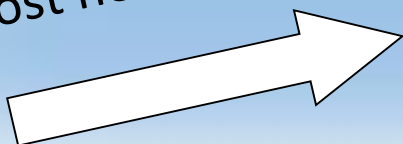

Elk Grove Township Community Empowerment Fund,
600 Landmeier Road, Elk Grove Village, IL 60007.

Food Pantry Needs

Monetary donations are accepted at the pantry year-round and often help fill the gaps between donated food items and items that are in high demand. If you would like to bring in or send a monetary donation, please mail or drop off your donation at 600 Landmeier Rd, Elk Grove, IL 60007. When dropping off donations, please use the WEST entrance.

Donations are accepted Monday through Friday 9AM to 4PM. If you need help with your donation drop-off, please call 224-265-6111 and someone will assist you!

Most needed Items

White Christmas!

It may seem early for some but winter is just around the corner. This time of year, need increases, especially for our food pantry clients. Unfortunately, they cannot use their federal food stamps (SNAP money) to purchase essentials like cleaning supplies, shampoo, paper towels, Kleenex, toothpaste, deodorant, toilet paper, etc. These necessities are a part of our daily lives, yet expensive to purchase. Our food pantry does the best we can to provide these items to our users, but we need your help. Please consider donating to our "White Christmas" Drive! You can also take up a collection in your neighborhood, school, or church!
