Elk Grove Village | Mount Prospect | Des Plaines | Arlington Heights | Rolling Meadows

Summer 2024

## A MESSAGE FROM TOWNSHIP SUPERVISOR GEORGE K. BUSSE

I hope you're enjoying your summer. There's a lot to enjoy – baseball, cookouts, the beach and more! While we at the Township also appreciate the sun and pleasures of a Chicago summer, we are always hard at work providing important services to you, our residents. People often ask me what they can do to help us out and I thought I'd offer a couple suggestions:

**Food Pantry.** Our Food Pantry always appreciates your assistance. Last month we had over 1,000 families visit the Pantry. This number is up almost threefold from just two years ago. It is unfortunate and reflects changing demographics, the loss of COVID benefits and continuing inflationary pressures. Food and monetary donations are needed. Items that the pantry is most in need of include cereal, jams and jellies, paper towels and toilet paper. Food items can be dropped off at the Pantry Monday through Friday between 9:00 a.m. and 4:00 p.m. Monetary donations can be made online on our website ([elkgovetownship.com/ways-to-donate](http://elkgovetownship.com/ways-to-donate)), mailed to the Township or dropped off at the Township offices. Our Address is 600 Landmeier Rd, Elk Grove Village, 60007.

**Bike Safety.** After a long wait due to labor and supply chain issues during COVID, the Township Bike Safety Course is in it's final stages of preparation for it's big grand opening. Classes should start late this summer. The program is in need of bikes. Many bikes did not survive the COVID shutdown and need to be replaced. New and older bikes in good shape are welcome. Bikes can be dropped off at the Township Monday through Friday between 9:00am and 4:00am

**Community Empowerment Fund (CEF).** CEF is an independent 501(c)(3) charity that supports the Township Social Services Department. The organization provides financial assistance when the Township sees a need but lacks the ability to help. An example is a low-income veteran whose water heater broke and he could not afford to repair it. He was without hot water for six months. With the assistance of the American Legion, CEF was able to provide the funds needed to repair the water heater and a couple other items. To donate to the Fund, send a check made out to "Community Empowerment Fund" to the Township address.

If you have any questions please contact us at 847-437-0300.

## DEPARTMENT OF SOCIAL SERVICES

### KEEP COOL THIS SUMMER WITHOUT BREAKING THE BANK

Elk Grove Township can assist residents in applying for the Low-Income Home Energy Assistance

Program (LIHEAP). LIHEAP offers grants to help qualifying residents receive a grant towards their gas and electric bill. At time of application, your 30-day income must be at or below 200% FPL. You do not need to be past due for either utility in order to apply.

Don't wait! The program runs until August 15th, 2024, or until funds are exhausted. Act now to ensure you don't miss this valuable benefit.

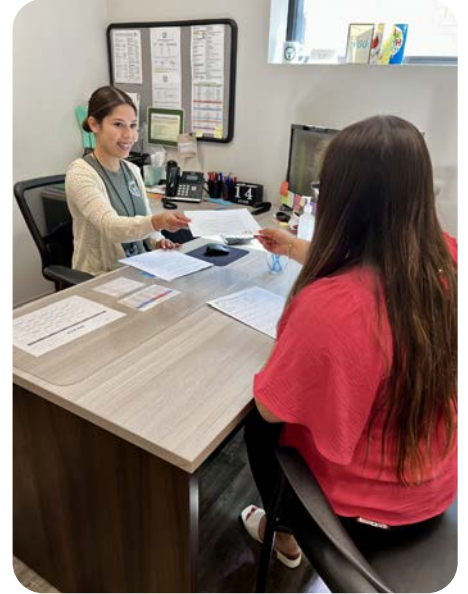

To apply, simply contact Social Services at [224-265-6111](tel:224-265-6111) to schedule an appointment. You will need to provide your most recent electric and gas bill, proof of income for all household members in the last 30 days and Social Security Cards for all household members if available.

If you have already utilized your LIHEAP benefit for the year and finding it hard to keep up with your Nicor bill, help is available. There are many Nicor programs that can assist residents in keeping their home sourced with the gas they

need. Simply contact Social Services to see if there is a program that best fits your household.

Not sure if we can assist? Just ask!

We offer various financial programs, including rent and utility assistance, a food pantry, and more. Our Social Services department is here to listen and connect you with the resources you need to overcome temporary hardships and get back on your feet.

## COMMUNITY FOOD DRIVES

### #StampOutHunger Food Drive

The National Association of Letter Carriers hosted their annual Stamp Out Hunger Food Drive on May 11th. This initiative, recognized as the nation's largest single-day food drive, strives to strengthen communities by aiding individuals facing food insecurity. Residents were encouraged to participate by leaving a bag filled with designated non-perishable items by their mailboxes for convenient collection by letter carriers. Through the collective efforts of the community and the dedication of letter carriers, a remarkable contribution of 6,185 pounds of food was delivered to the Food Pantry!

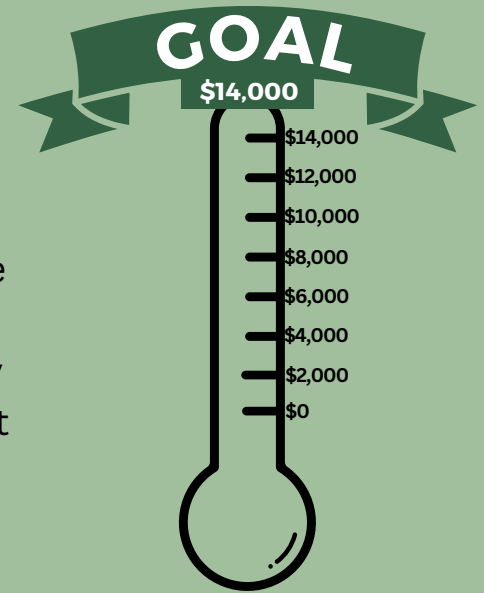

### CCC Pack the Pantry

The Community Character Coalition (CCC) of Elk Grove Village held a food drive on Saturday, May 18th, with a focus of collecting essential food items. The CCC hosts two food drives for the Food Pantry a year, with all the donated items going directly to benefit the Township's Food Pantry Clients. Shoppers were encouraged to do their regular shopping and to consider purchasing a few extra items to donate on their way out. Through the efforts of our amazing community, the CCC was able to donate 1,112 lbs. of food to the Pantry!

## YOUTH SERVICES

### EXPERIENCE LEARNING THAT TRANSFORMS YOUTH

At Elk Grove Township Youth Services, we immerse youth in hands-on, interactive experiences that empower them to build essential life skills. Through our innovative experiential learning approach, students don't just hear concepts – they practice them in dynamic, engaging activities that bring the lessons to life.

#### Core Youth Programs

- **Social Skills Group:** Youth practice key social-emotional skills like conversation starters, maintaining friendships, and social awareness through collaborative games and role-playing.
- **Girls Empowerment Group:** This program guides girls to find their voice, build connections, and identify their strengths. Activities allow them to experientially learn concepts like developing an "inner coach," overcoming self-doubt, and empowering others.
- **Challenge Program:** We're relaunching our challenge program which is our most transformative core program.

This signature offering develops communication, problem-solving, trust and collaboration through guided half-day, full-day or multi-day programs on our new low ropes challenge course. Groups overcome interactive physical and mental obstacles that require strategic thinking and teamwork. A facilitator training component prepares staff to create impactful experiences.

**Don't Miss:** Upcoming Fall Sessions! Our popular Social Skills and Girls Empowerment groups will be offered for fall sessions starting the week of September 9. New and previous participants are welcome! Please keep an eye on the township's social platforms and website for registration and availability.

## COMMUNITY INITIATIVES

**Student Government Day:** High schoolers gained valuable firsthand exposure to local government operations. The day began with Township Supervisor George Busse providing an overview of the Township's functions and responsibilities. Students then rotated through different departments where department directors and staff explained their roles and duties, allowing students to ask questions and learn directly from the experts.

#### Hygiene Closet

**Initiative:** This successful program provided personal care items to junior high students in need, ensuring all youth have access to basic hygiene necessities.

#### Social Skills Parenting

**Workshop:** For parents and caregivers of children in grades K-8, especially those with autism spectrum disorder or similar social challenges, we partnered with the Elk Grove Library to offer an insightful workshop. Attendees learn practical strategies to help youth better understand social cues and improve social interactions. These sessions

equip parents/caregivers with effective tools to support their child's social development at home.

Don't miss out on these innovative programs! Contact Renee at [rdorn@elkgrovetownship.com](mailto:rdorn@elkgrovetownship.com) to learn more about summer, fall, and other upcoming experiential learning opportunities.

**Mark Your Calendars!** We are thrilled to announce the Grand Opening of our new Challenge Course and Bike Safety course on September 14, 2024. Currently, our summer youth groups are enjoying the low ropes course, and our bike safety classes will start later this summer. Follow Elk Grove Township's social media for updates and more details about the Open House!

“

Our child loves this program! She never drags her feet or refuses to go, she asks to sign up again & again! The program keeps her engaged and learning new things about herself and how to deal with challenging situations.

## ADULT & FAMILY COUNSELING

### PARENTING SEMINAR RECAP: BRIDGE THE GAP

On May 16th, the Adult and Family Counseling Program hosted an enriching Parenting

Seminar titled "Bridge The Gap," developed by program therapist, Priya Vadaya Bhatt M.Sc. Health Psychology and M.A. Clinical Psychology. Carmen Martinez, M.S. in Counseling and Licensed Professional Counselor, was on hand to present the seminar in Spanish.

#### Vital Takeaways for Parenting:

Parenting is a challenging journey, especially in today's rapidly changing culture. Whether single or married, parents often find themselves modeling behaviors from their own upbringing, which may not always align with modern day parenting demands. The seminar provided essential insights and actionable strategies to navigate these complexities.

#### Key Points Discussed:

##### 1. Understanding Emotional Triggers:

- **Identification of Triggers:** The seminar emphasized the importance of recognizing emotional triggers—those intense reactions to distressing or conflictual situations.

- **Parent-Child Dynamics:** When children do not meet expectations, parents can become triggered and react in ways that either distance the child or foster a nurturing, calm environment.

##### 2. Self-Regulation Techniques:

- **Emotional Dysregulation:** Both children and parents can experience overwhelming emotional reactions. Children often struggle to manage their emotions, and parents, influenced by their own childhood experiences and current stressors, can react disproportionately to challenging behaviors like backtalk, tantrums, and messes.

- **Self-Knowledge as a Tool:** Understanding one's own emotional responses is crucial. Self-regulation involves mastering one's emotions and thoughts to control reactions effectively. In turn, parents can model and teach this skill to their children.

##### 3. Practical Implementation:

- **Open Discussions:** The seminar provided a safe space for

parents to confidentially share their challenges and identify personal triggers.

- **Skill Development:** Parents learned practical skills to manage their reactions and maintain a supportive and responsive relationship with their children.

The Bridge The Gap seminar was instrumental in helping parents enhance their self-awareness and equip themselves with strategies to foster a more harmonious and emotionally intelligent family environment.

*The Seminar will be held again on Saturday October 5th from 10:30 AM - 12 PM at the Township office. Childcare will be provided. To register, contact 847 981-0373 by September 27th.*

The Adult and Family Counseling Program offers Individual and Family therapy to Elk Grove Township residents free of charge. Professional and confidential services are provided in office or by telehealth in English and Spanish, Hindi, and Gujarati. Psychiatric services for medications are also available.

For additional information, call 847 981-0373.

Parenting is a journey that embarks you on experiencing different kinds of emotions. There is fulfillment and pride and there is heartbreak and disappointment. The challenges in parenting are real and so is the stress that parents go through. We are all bombarded with so much of parenting information and often aspire to embrace good ideas. Yet we struggle to integrate what we want to.

This seminar offers an opportunity to explore ways to bridge the gap between knowledge and practice. Learn skills that support you on your parenting journey.

#### SEMINAR HIGHLIGHTS

This seminar is being conducted by Priya Vadaya Bhatt M.Sc., M.A. from Elk Grove Township's Adult & Family Counseling Program.
