## A MESSAGE FROM TOWNSHIP SUPERVISOR GEORGE K. BUSSE

**The Passing of a Community Champion**. This summer we lost one of our Townships' most respected and influential leaders. Nanci Vanderweel passed away in early July after an extended illness. Nanci was a Township Trustee for 10 years and the Supervisor for 7 years. Prior to her years with the Township, she served for 20 years as an Elk Grove Village Trustee.

When she first ran for Village Trustee in 1971, she did so under the slogan "A woman, why not?" I think this slogan says a lot about Nanci. She was strong, confident and not afraid to challenge the status quo. If she felt something needed to be said or done, she never hesitated to take the lead and do it. Elk Grove Village Mayor Craig Johnson relates how Nanci once told him "Stay true to yourself, tell people what you're going to do, and do it." Yet as strong, confident and decisive as she was, I found that Nanci was always willing to listen and if you made a good argument, she was not afraid to change her position. Above all she was kind, respectful and truly cared about her community and its residents. I am grateful for the 13 years I served on the Township Board with Nanci, and she will be missed by all of us who knew her.

**Holiday Donation Drives**. With the holiday season soon upon us, I encourage you to consider supporting one of the Township Holiday Drives. The Thanksgiving Donation Drive ensures that each resident/family who uses our food pantry receives a full Thanksgiving meal with all the fixings. The Holiday Gift Drive provides low-income parents with a gift card that they can use to purchase Christmas gifts for their children. This a gift for both the parent and children. Finally, the Older Adult Angel Tree allows low-income seniors to place a gift wish on our Angel Tree. Residents can pick up one or more of the wishes and fulfill it, thus making a senior's holiday much brighter.

## White Christmas!

We invite our residents to join us in helping our neighbors in need through our annual White Christmas Drive! This year, we are collecting new toiletries such as soap, shampoo, toothpaste, deodorant, feminine hygiene products, paper towels, and more.

No one should go without basic necessities, and we want to ensure that the residents of Elk Grove Township have the essentials they need to stay clean and healthy.

While local food pantries and SNAP benefits help with food needs, it's important to remember that SNAP (food stamps) cannot be used to buy toiletries, as they are considered non-food items.

Our White Christmas toiletry drive is a wonderful way to support those in need this holiday season. You can also help by organizing a collection in your neighborhood, school, or church. By donating toiletries, you can make a meaningful difference in the lives of those struggling in our community.

## ASSESSING THE SITUATION

Connie Carosielli

[ccarosielli@elkgrovetownship.com](mailto:ccarosielli@elkgrovetownship.com)

Perhaps now is the time to think about your property taxes, or past time. We are all upset when the tax bill arrives, but do you think about how that bill has gotten so high?

Look at your second installment bill. It will show you the taxing bodies that you are supporting. The largest percentage of your taxes are going to schools. Have you ever attended a school board meeting? Do you know the board members and what their agendas are? Do they truly represent your viewpoint?

We can ask these same questions of all the taxing bodies. Where are my tax dollars going? Is the money spent wisely?

I raise these questions, in this edition, because next year Elk Grove Township will be facing the triennial reassessment. Because we have been in an inflationary trend, homes will be valued higher by the Cook County Assessor, Fritz Kaegi. Your right, as a taxpayer, is to appeal to the County, the Board of Review, and the Property Tax Appeal Board. However, what you can also do is become involved. Who is representing you? What are their fiscal policies? Are they responsive to your questions?

It is said that to have a thriving democracy, you must have an informed and active citizenry. Critical thinking and researching a candidates' record and proposals become crucial. Each decision elected officials carry out is being paid for by you. When you are satisfied with a candidate, it is your duty and privilege to support that person on election day.

Most people only vote in the major elections, but think about it, local elections determine your property taxes. Get informed and use your voice.

We project that we will be open for appeals to the Cook County Board of Review sometime in October, the dates to be determined. However, that makes it more important that you call my office to sign up for our notification system. You can call **222-265-6110** and request to be notified by phone and/ or email as to when to file exemptions and appeals.

When you sign up it is very important that you add our contact information in your phone and/or email to prevent our messages from ending up in your spam. The email messages you will receive will be from [assessor@elkgrovetownship.com](mailto:assessor@elkgrovetownship.com).

As always, we are here to be your taxpayer advocate. May your upcoming holidays bring you peace and joy!

### YOUTH SERVICES DEPARTMENT:

#### Launching New Programs for Active Learning and Fun!

The Youth Services Department is excited to announce the launch of two dynamic new programs designed to promote physical activity, teamwork, and essential life skills among our youth: the Bike Safety Course and the Challenge Course.

#### Bike Safety Course

Our new Bike Safety Course is all about empowering young riders with the knowledge and skills they need to enjoy biking safely. In this course, participants will learn the rules of the road, the importance of wearing a helmet, and how to conduct a pre-ride safety check on their bikes. Through engaging activities and guided practice, kids will develop confidence in their biking abilities, ensuring they can navigate their neighborhoods safely and responsibly. The course is perfect for beginners looking to learn the basics and for experienced riders who want to brush up on their safety skills. Please check our website and social media for upcoming open ride dates.

#### Challenge Course

In addition to biking, we're thrilled to introduce our Challenge Course, a low ropes team-building experience that includes ground initiatives and portable activities designed to develop communication, collaboration, and problem-solving skills. This course includes a series of physical and mental challenges that require teamwork and strategic thinking. Participants will engage in activities that test their ability to work together, think critically, and support one another, all while having fun in an outdoor setting. The Challenge Course is a fantastic opportunity for youth to build confidence, foster friendships, and learn valuable lessons about cooperation and perseverance.

### JOIN US!

We are committed to providing engaging and educational experiences for all youth in our community. Both the Bike Safety Course and the Challenge Course are open to all skill levels and are free of charge for Elk Grove Township residents. We encourage parents and guardians to sign up their children for these exciting programs and take advantage of this opportunity for active learning and growth. For more information on how to enroll your child in these programs or to learn more about what the Youth Services Department has to offer, please visit our website or contact us directly at [youthservices@elkgrovetownship.com](mailto:youthservices@elkgrovetownship.com).

Let's get ready for a season of fun, learning, and adventure!

## ADULT & FAMILY COUNSELING

### ELK GROVE TOWNSHIP ADULT AND FAMILY COUNSELING PROGRAM OFFERS SCREENINGS FOR YOUTH

Did you know that Elk Grove Township Adult and Family

Counseling Program offers comprehensive ADHD and Mental Health Screening for youth ages 6-21?

Objective tests used in the screen include the BASC-3 which evaluates social, emotional, and behavioral functioning, the TOVA (Test of Variables of Attention) visual computerized test, and the CAPS (Clinical Attention Profile Scale). A mental health professional implements these measures and interviews the child and family and gathers information from the schoolteachers. The results of the BASC-3, TOVA, CAPS, and clinical mental health interview are compiled, and the therapist writes a report with recommendations.

The counselor meets with the parents to review the findings and at that point, a copy can be sent to the school if requested. Parents may also take the findings to their pediatrician for further consultation regarding medications or other treatment options

Children are referred for screenings by school personnel (teachers, school social workers, school psychologists) or parents who suspect the child may have an attention deficit, emotional, or behavioral challenge.

For Further Information contact the Adult and Family Counseling Program at Elk Grove Township **847 981-0373**.

### ADULT AND FAMILY COUNSELING PROGRAM ASSISTS THROUGH LIFE TRANSITIONS AND CHALLENGES FOR RESIDENTS OF ALL AGES.

Life transitions, such as returning to the classroom, parenting, schedule changes, starting or switching jobs, financial status adjustments, sending off a young adult to college, marriage, divorce, health struggles and loss can be challenging. Counseling provides support and guidance and growth during these times.

Navigating through transitions often requires developing coping strategies that are new and unfamiliar. Consulting with a trained counselor can encourage individuals to explore thoughts and beliefs about the transition leading to new perspectives and growth towards positive change. The counseling process results in increased self-awareness, personal development, and healthier choices.

A trained counselor is a trained listener who can read between the lines and bring forth in an empathic and support manner new insights to guide through life transitions.

The Elk Grove Township Adult and Family Counseling program offers services in person or virtually to all age groups. There is no charge for Township residents and psychiatric services for medication are available by contract. Evening hours are available by appointment. For additional information, contact **847 981-0373**.
