Elk Grove Village | Mount Prospect | Des Plaines | Arlington Heights | Rolling Meadows

Winter 2025

## A MESSAGE FROM TOWNSHIP SUPERVISOR GEORGE K. BUSSE

I hope you had a wonderful holiday season. We at Elk Grove Township wish all of you a healthy and prosperous 2025. We are looking forward to another year of working with you to make our community an even better place to live and raise a family. Please don't hesitate to reach out to us if you have any questions about the services that we can provide you and your family.

**Holiday Donations.** To all our generous donors who helped with our Winter Coat Drive, Thanksgiving Donation Drive, Holiday Gift Drive, Older Adult Angel Tree and, of course, our Food Pantry, we sincerely thank you. Your generosity allowed us to provide those in need with meals, winter clothes, Christmas presents and a lot of smiles. A special thanks to the students at Rolling Meadows and Elk Grove High Schools for their outstanding participation in the 9th Annual Cereal Bowl. With the special help of their respective mayors, and principals the students collected 7,050 boxes of cereal. This was more than double the number of boxes collected in any past year!

## NEW COMMUNITY SERVICES OFFICE

Come visit our new Community Services Office. This office provides residents with passports, fishing and hunting licenses, handicap placards and notary services. We also can furnish passport pictures so it's a one stop passport service! Call our Community Services Specialist, Ewelina Radzik, at **224-222-0936** to set up an appointment.

**Responsible with your Tax Dollars.** As we enter the 2025 budget season, I want to assure you that we will be very careful and responsible with your tax dollars. The Township Board has raised your taxes only once in the last 12 years. The Township share of your property tax bill is less than 1% and this is despite a significant increase in the social services we provide to meet growing community needs.

## ASSESSING THE SITUATION

Connie Carosielli  
ccarosielli@elkgrovetownship.com

We are delighted to welcome Dulce Viveros to our staff. Dulce brings with her fourteen years of experience in the assessment profession and is fluent in Spanish. Dulce, Laurie, Bryan and I hope

that 2025 is the best year ever for you and your families.

There are several pieces of information that you should be aware of in the coming days. 2024 tax bills will be mailed at the end of January, due and payable March 1, 2025. This bill will not reflect your exemptions. You will see your exemptions reflected on your second installment.

We have been informed by the County Assessor that exemption applications will be mailed and available the beginning of February. Senior Freeze exemptions that were applied for in 2024 will receive a renewal form in the mail. Homeowners that have homestead or senior exemptions will receive a postcard verifying that these exemptions will automatically renew. This is also true for the permanently disabled and permanently disabled veterans with 100% disability.

Make sure that you are up-to-date with what you need to know regarding your property tax by contacting my office at **224-265-6110** and registering for our taxpayer information system.

## DEPARTMENT OF SOCIAL SERVICES

### ELK GROVE TOWNSHIP IS HELPING TO KEEP OUR COMMUNITY WARM THIS WINTER

The winter months can bring a wave of financial challenges, especially when it comes to heating our homes and maintaining electricity. To help residents navigate these difficulties, the Elk Grove Township Social Services Department is dedicated to providing essential support and assistance.

#### Energy Assistance Programs:

We understand the importance of access to affordable and reliable energy. That's why we offer assistance with the following income-based programs:

- **Low Income Home Energy Assistance Program (LIHEAP):** Provides financial assistance to eligible households to help pay for heating and cooling costs.
- **Furnace Program:** Your household may be eligible for repair or replacement of your existing furnace if it is inoperable or red tagged.
- **Weatherization:** Income eligible households can qualify to have their home assessed for things like seals in drafty areas, insulation in attic, walls, basement and crawl spaces, and enhancing indoor air quality and ventilation.
- **Low Income Discount Rate (LIDR) Program for Nicor Gas:** Offers a discount on natural gas bills for income-qualified customers.
- **Nicor Energy Aide:** A customer assistance fund that provides emergency financial assistance to help eligible Nicor Gas customers pay their heating bills.
- **Nicor Energy Aide and Shield of Caring:** Programs that provide emergency financial assistance and a safety net for eligible Nicor Gas customers facing a heating-related crisis.

*Eligibility for all these programs is determined by income. To learn more or to schedule a screening, please call us at 224-265-6111.*

#### Emergency Assistance:

The Emergency Assistance program provides critical support to households experiencing a temporary financial hardship. If you are struggling to pay your utility bills or facing a housing crisis, we can assist you if you meet the income guidelines and demonstrate the ability to maintain your housing and utilities moving forward.

#### Mobile Dental Clinic:

Endeavor Health (formerly Northwest Community Healthcare) Mobile Dental Clinic offers family dental care for residents without access to a dentist due to financial barriers in Elk Grove, Palatine, Schaumburg or Wheeling Townships. Individuals must meet income guidelines and not have private dental insurance. Financial and residency screenings must be completed by your respective township before accessing an appointment with the clinic.

*Eligibility for all these programs is determined by income. To learn more or to schedule a screening, please call us at 224-265-6111.*

#### A Successful Holiday Season Thanks to Our Generous Community

The holiday season is a time for giving, and the Elk Grove Township community truly shined this year. Thanks to the incredible generosity of our residents, we were able to sponsor over 250 in-need seniors and nearly 200 children for the holidays. Seniors were able to make their own holiday wish and the Santas in our area truly delivered. The wishes ranged from air fryers, cozy pajamas and even a request for 'The Best of Simon and Garfunkel' with a new cd player. Parents who have shown a need based on income screenings were able to receive a gift card to shop for their child. This program is a win-win as it allows the parents the dignity and joy to choose for their child what 'Santa' will be leaving under the tree; and sponsors are able to feel the joy of warming the holiday for both child and parent. These programs are only made possible by our residents' support and generosity!

#### Moving Forward:

The Elk Grove Township Social Services Department remains committed to serving our community. We encourage you to reach out to us if you or someone you know needs assistance. Our dedicated team is here to help.

## FOOD PANTRY

### WELCOME FOOD PANTRY SHOPPERS!

The Elk Grove Township Food Pantry is proud to provide assistance to residents in need

within our Township boundaries. Whether you're facing temporary challenges or longer-term difficulties, we are here to help. To register for the Food Pantry, call **224-265-6111** and schedule your initial visit. Registration requires a photo ID and a utility bill dated within the last 30 days. First-time visitors should plan to arrive 15 minutes early to complete the registration process and receive their Food Pantry card.

For current Food Pantry clients, it's important to check the expiration date on your Food Pantry card. Cards are valid for six months and must be renewed to continue accessing services. If your card is close to expiring, bring a current utility bill (dated within the last 30 days) and a photo ID to your next appointment to renew. Please remember, your Food Pantry card is required every time you visit.

If you're unable to visit the Food Pantry in person, we also offer a delivery service for your convenience. Deliveries are available on Mondays, and you can arrange one by calling **224-265-6102**. Let us continue to support you and your family with the resources you need.

**Please note:** deliveries are restricted to elderly and those with disabilities. Clients must call the week prior to the Monday they would like their delivery.

### PANTRY HOURS OF OPERATION

#### Tuesdays:

9:30 a.m. – 7:00 p.m.

#### Wednesdays, Thursdays, Fridays:

### GIVING THANKS TOGETHER!

This past November, the Food Pantry partnered with the Social Services department to provide every household that visited the pantry with a special Thanksgiving basket as part of the Township's Thanksgiving Basket Drive-Thru. Thanks to the outstanding generosity of our community during the 'Thanksgiving Donation Drive' campaign, the Food Pantry was able to distribute complete Thanksgiving meals. These baskets included a choice of a whole turkey, turkey breast, or whole chicken, along with butter, milk, eggs, stuffing mix, gravy, plates, and other holiday essentials.

We extend our heartfelt gratitude to **Forest Packaging** (pictured above) for their generous donation of boxes, which were instrumental in making this initiative possible. With the community's incredible support, over \$14,000 was raised, enabling us to serve nearly 900 families! This accomplishment would not have been possible without your continued kindness and contributions. Thank you for helping us bring the spirit of Thanksgiving to so many!

## YOUTH SERVICES

### EMPOWERING THE NEXT GENERATION: ELK GROVE TOWNSHIP YOUTH SERVICES

At Elk Grove Township Youth Services, our mission is simple yet profound: to empower young people with the skills and tools they need to thrive both in school and in life. Since 1972, we've been dedicated to meeting the needs of our Township's youth by fostering **communication, social awareness, and self-awareness**.

Through our strengths-based approach, we focus on equipping youth with essential life skills to help them grow into **successful, independent, responsible, and contributing young adults**.

#### Building Connections and Confidence

Strong communication skills are the foundation for healthy relationships, whether with peers, family, or the broader community. Our programs are designed to help youth navigate challenges such as resolving conflicts, managing emotions, and expressing themselves effectively. At the same time, we focus on building social awareness—helping participants understand the impact of their actions and fostering empathy for others.

Self-awareness is another cornerstone of our work. By encouraging young people to reflect on their emotions, strengths, and values, we aim to give them a deeper understanding of themselves and how they relate to the world around them.

#### Programs That Make a Difference

We offer year-round on-site programs for youth ages 7–22, addressing the unique needs of our community. Highlights include:

- **Social Skills Groups:** Helping youth build confidence in communication and peer relationships.
- **Girls Empowerment Group:** Fostering self-esteem, resilience, and leadership.
- **Leadership Development/Trainings:** Cultivating the next generation of leaders.
- **Life Skills Programs:** Teaching skills to support integration into the community.
- **Bullying Prevention Programs:** Empowering students to create safe and supportive environments.
- **Youth Recognition Committee:** Supporting positive youth development through service and leadership.

#### Partnering for Success

The Youth Services Department collaborates with schools and community leaders to ensure our programs reflect the diverse needs of the Township's youth. Together, we create opportunities for young people to grow, develop, and take responsibility for themselves and their communities.

If you'd like to learn more about our programs, suggest new services, or have questions, please reach out!

Let's work together to inspire and empower the next generation!

## SENIOR SERVICES

### SENIOR TRANSPORTATION

Elk Grove Township is honored to support senior residents (ages 55 and older) through a variety of valuable services. Our Transportation Service promotes mobility and independence by providing free rides to destinations such as medical appointments, grocery stores, fitness centers, restaurants, and more—helping you stay active and self-reliant. The Township operates four lift-equipped buses, including a brand-new one, to ensure accessibility for all riders. Curious if your favorite

destinations fall within Township boundaries? Give us a call, and we'll be happy to help! For seniors aged 60 and older needing transportation outside the Township for medical appointments, our Township Riders Initiative Program (TRIP), in partnership with PACE, offers a convenient solution.

To learn more about our transportation options or to register for these services, including the Township bus and TRIP programs, call us today at **224-265-6115**.

### MEDICARE OPEN ENROLLMENT

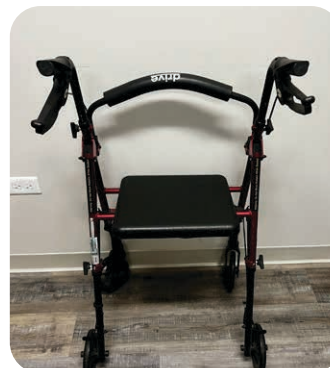

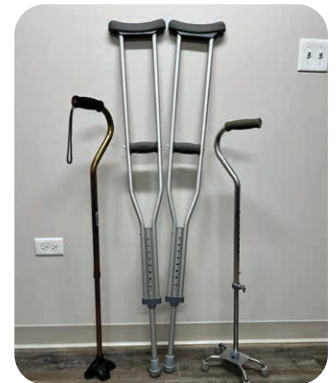

The Medicare Open Enrollment period has concluded successfully, thanks in part to the valuable assistance provided by our dedicated SHIP (Senior Health Insurance Program) counselor. Our SHIP counselor played a crucial role in guiding residents through the complexities of Medicare plans, helping them make informed decisions about their coverage options.

Even if the Open Enrollment period has passed, residents may still qualify for a Special Enrollment Period due to certain life events, such as losing other health coverage or moving to a new area. If you believe you may qualify for a Special Enrollment Period and would like to explore your options, please don't hesitate to contact our SHIP counselor for guidance and support. This service is completely free and designed to help you make the best choices for your healthcare needs.

### MEDICAL LENDING CLOSET

Do you know someone who has recently been injured, faced a surgery, or simply needs mobility assistance? If so, please refer them to our Medical Lending Closet. This program allows residents to borrow essential medical

equipment such as wheelchairs, commodes, canes, walkers, etc. at no cost for a period of six months. This service can significantly improve the quality of life for individuals with mobility limitations and alleviate the financial burden associated with purchasing or renting medical equipment. Please call **224-265-6111** to learn more about the items in our lending closet.
