Spring 2025

A MESSAGE FROM TOWNSHIP SUPERVISOR GEORGE K. BUSSE

I hope this finds you well and getting ready to enjoy your spring and summer. This will be my last newsletter as Township Supervisor. I have decided not to seek reelection and will be leaving office in May at the end of my term. My wife and I have decided to take more time to travel and to visit our children and grandchildren who are spread out across the country.

Please note that all my fellow elected officials are running for reelection in April.

After 24 years of Township service as a Trustee, Clerk and now as Supervisor, the decision to "retire" is bittersweet. While I am sad to leave the Township and the incredible people I have been honored to work with, I am very proud of what we've been able to accomplish over the last four years. Our community's need for the social services and taxpayer assistance that the Township provides continues to grow. I am pleased to say that our Elk Grove Township team has consistently been able to meet these needs with new and expanded services.

SUPERVISOR'S MESSAGE CONTINUED...

Last year our client-choice food pantry handled over 12,000 family visits and our social services department provided temporary financial assistance in excess of \$120,000 to struggling residents. The Assessors office assisted taxpayers with submitting almost 3,500 appeals, exemptions and corrections. We added a new Senior Benefits Specialist, two new mental health therapists and psychiatric services, an additional senior transportation bus and software routing system, an online employment job board, a Veteran's Service Office and a new Community Services Office for passports and various licenses. Also, our Youth Services team opened the long-awaited bike safety and challenge courses and are working with our local elementary schools to teach social skills, suicide prevention and newcomer integration classes.

Without the support of a great team of elected officials and a hardworking, professional staff none of this would have been possible. Even more important, it was all accomplished with compassion and respect and with fiscal responsibility. The Township's share of the County property tax bill continues to remain under 1%. There is truly a lot for the Township to be proud of!

As I plan to leave office, I want to say thank you to the elected officials, the staff, the volunteers and all the other residents for all they have done, and are doing, to make Elk Grove Township such a wonderful community to live in. I have truly enjoyed serving the residents of Elk Grove Township and hope I have succeeded in leaving it a little better than when I started. I wish my successor, John Scaletta, and the new Township Administrator, Izabela Manzo, all the best as they settle into their new roles. I'm sure they will find, as I did, that they have some of the best jobs one could ever hope for.

ASSESSING THE SITUATION

Connie Carosielli

ccarosielli@elkgrovetownship.com

Welcome to Spring! You have already paid your first installment property tax bill. The second installment bill will be arriving July 1st, due and payable August 1st. It

is on that bill you will see your exemptions reflected.

This year we will experience the triennial reassessment. You will receive your reassessment notice from the Cook County Assessor, Fritz Kaegi. It will show you the new value his staff

has put on your home. We do not, yet, know when this will happen, however, be assured, that we are here to assist you in researching and filing your appeals. We will also have two outreach programs, one with the Assessor's office, and at least one with the Board of Review.

Please keep in mind that the increase you see from the triennial will not appear on your second installment tax bill. You will see it on the second installment tax bill next year, 2026.

As always, my staff is available to answer your questions involving your property tax concerns. You may also keep up to date by following us on the township website, www.elkgrovetownship.com and all our social media channels.

CLERK'S CORNER

Suellen Satern

ssatern@elkgrovetownship.com

One of the most rewarding parts of my Clerk position is being the Chairman of the Mental Health and Wellness Committee. The committee reviews applications

from social service and mental health agencies that serve our residents in the township, and meets with representatives from many of the agencies. Then we determine the amount that we can grant to them to use in their programs for our residents. It is exciting to hear how each organization has helped our residents in the past year, and how they continue to improve and expand their services. The committee members include our Social Services Director and our Clinical Director of Counseling, one Township Trustee, and three township residents.

This year we granted \$620,000 to 29 agencies, a 3% increase over last year. Some of the agencies we support include Wings, Little City, Salvation Army, Kenneth Young Center, Shelter and Clearbrook. Some agencies provide assistance to the disabled, and seniors and youth, while others provide assistance with mental health services, housing, healthcare

and more. When residents come to the Social Services Departments of the Township seeking assistance, we not only offer services such as General and Emergency Assistance, and the Food Pantry and other assistance if needed, but our staff can also connect them with agencies that specialize in their specific area of need. It is a win-win situation that avoids duplication of services.

Our Social Services to our residents have increased 200% from 2019-2024.

I am so grateful for our Board of Trustees, our Township leadership, and our employees and the many social services agencies that have a passion for helping our residents in need and improving their quality of life.

Reminder – the following services are offered by the Clerk's Office:

- Temporary Handicapped Parking Placards
- Passports and Passport Photos
- Notary Public
- Voter Registration
- Fishing and Hunting Licenses

Elk Grove Township Offers Lifeline to Residents Facing Unexpected Emergencies

Elk Grove Township offers Emergency Assistance to residents facing unforeseen and unavoidable crises that have caused them to fall behind on shelter or utility payments. This assistance is designed for immediate needs and requires a 5-day notice or utility disconnection notice for the current month’s bill; future payments are not covered. Applicants must demonstrate proof of an unexpected emergency and proof of sustainability moving forward. A Case Manager will work with each applicant to determine the specific documentation needed for their individual circumstances.

Eligibility for Emergency Assistance is determined based on income guidelines. Applicants must submit documentation of all income received within the past 30 days, as the program adheres to the 200% Federal Income Poverty Line. Furthermore, all applicants are required to apply for all other available benefits, including Unemployment, TANF, SNAP, Social Security Income Benefits, Medicaid/Medicare, and LIHEAP. This ensures that all other avenues of support are explored.

Elk Grove Township is committed to supporting residents during times of crisis. The Emergency Assistance program provides a vital safety net for those experiencing unexpected hardships. Residents are encouraged to contact the Township for more information regarding eligibility requirements and the application process.

Employment Support Center

Elk Grove Township’s Employment Support Center serves as a vital resource hub for residents seeking employment opportunities and career advancement. We offer a range of free services designed to empower job seekers, including resume and cover letter writing assistance, interview skills training, and access to online job boards and local employer connections.

Beyond individual support, the Employment Support Center also plays a crucial role in connecting local businesses with qualified candidates. By fostering relationships with employers and understanding their hiring needs, the center facilitates a mutually beneficial match between job seekers and businesses looking to grow their teams. This connection strengthens the local economy and contributes to the overall prosperity of the Elk Grove Township community. The center’s commitment to both job seekers and employers makes it a valuable asset in promoting economic growth and opportunity within the township. SENIOR SERVICES

LOOKING TO APPLY FOR MEDICARE? MAKE AN APPOINTMENT WITH ELK GROVE TOWNSHIP!

Navigating the complexities of Medicare and health insurance can be daunting for seniors. Elk Grove Township recognizes this challenge and provides valuable assistance through its Senior Health Insurance Plan (SHIP) counseling program. SHIP counselors are certified volunteers trained to provide free, unbiased information and guidance to Medicare beneficiaries. They can help seniors understand their Medicare options, compare plans, and make informed decisions about their healthcare coverage. This invaluable service empowers seniors to confidently manage their health insurance needs and access the best possible care.

One of the most significant benefits of working with a SHIP counselor at Elk Grove Township is the potential to enroll in Medicare outside of the traditional open enrollment periods. While general enrollment periods exist, certain special circumstances, such as losing other health coverage, may qualify individuals for a Special Enrollment Period (SEP). SHIP counselors can help seniors determine if they qualify for an SEP and guide them through the enrollment process. This allows seniors to access crucial healthcare coverage when they need it most, without being restricted by standard enrollment timelines. Contact **224-222-0942** to schedule.
