Summer 2025

A MESSAGE FROM TOWNSHIP SUPERVISOR JOHN SCALETTA

I hope you're making the most of your summer! With summer comes lots of great weather and extra daylight hours to make memories with your family and friends at backyard BBQ's, sporting events, community events, and vacations. While we at the Township appreciate the vibrancy of a Chicago summer, our commitment to serving you—our residents—remains unwavering.

This spring, residents cast their votes in the local municipal elections, bringing new leadership to the Township Board—including myself. Some of you may recognize me from my 16 years of service on the Village of Arlington Heights Board of Trustees. While the newly elected Trustees and I have only recently come together, we are united in our commitment to working collaboratively to strengthen Township services, uphold high-quality social service programs, and maintain a responsible approach to property taxes. By fostering teamwork and shared purpose, we will ensure that the dedicated Township staff continues to address the needs of our community.

Join me in extending a warm welcome to our newly elected Township Trustees: Phillip Dukes, Robert Lugiai, Monika Stajniak, and Jason Wynkoop. I look forward to collaborating with them on Township services. Additionally, let's take a moment to congratulate two familiar faces—Connie Carosielli, our dedicated Township Assessor, and Suellen Satern, our steadfast Township Clerk—on their well-deserved re-elections. Their continued service is truly appreciated.

With deep appreciation, I want to recognize the dedication and passion for public service of retiring Supervisor George Busse. Over 24 years of leadership—as Trustee, Clerk, and ultimately Supervisor—he has built a strong foundation that enables the Township to provide essential services to our most vulnerable residents.

ASSESSING THE SITUATION

Connie Carosielli
ccarosielli@elkgrovetownship.com

As we are all getting over the shock of the triennial reassessment, you have a second chance to appeal your elevated assessed value by appealing to the Cook County Board of Review.

We will be holding outreach programs with the Board to facilitate the appeal process. For current information, you can go to www.elkgrovetownship.com. For those of you that are on our email and phone notification program, we will let you know as soon as we get that information.

Remember, second installment tax bills will be coming, due and payable August 1st, if they are mailed on time. When you receive that bill, please check to see that the exemptions you are entitled to have been applied. If they have not, we will assist you in getting them reinstated.

Some residents may notice changes this year stemming from referenda approved in November 2024, particularly those related to District #57 and the Mt. Prospect Park District. They serve as a reminder of the important role that community participation and informed voting play in shaping our local services and priorities.

Periodically, we add information to our website from the County Assessor's office, the Treasurer's Office, and the Board of Review. These articles give you additional insight to the Cook County property tax system. Always know that if you have questions, we will do our best to get you the correct information.

I wish to extend our sincere appreciation for your patience and understanding during the triennial reassessment. My staff and I realize how stressful this process can be. It is our mission to be your advocate within the limits of our statutory responsibilities.

DEPARTMENT OF SOCIAL SERVICES

DON'T LET GAS BILLS PILE UP: NICOR ASSISTANCE AND TOWNSHIP SUPPORT ARE HERE!

As we move through the year, keeping up with household expenses, especially utility bills, can sometimes be a challenge. If you're a Nicor Gas customer experiencing financial hardship, know that there are programs available to help, and Elk Grove Township is ready to assist you in applying.

Nicor Gas offers several valuable assistance programs designed to provide relief to eligible residents. These programs can make a significant difference in managing your gas bill and maintaining essential services.

Here are some of the key Nicor Gas assistance programs you should know about:

- **Shield of Caring:** This program helps residential customers with past-due Nicor Gas bills due to financial hardship (like job loss, illness, or disability). Eligible customers can receive a grant of up to \$250 towards their past-due balance. Eligibility generally applies to

households with income less than 400% of the Federal Poverty Level.

- **Nicor Gas Sharing Program:** Funded by Nicor Gas employees and customers, this program offers one-time annual grants to income-eligible customers, including seniors and veterans. This program provides direct financial relief. Eligibility typically applies to households with income between 201% and 300% of the Federal Poverty Level. Households must not have received LIHEAP (Low Income Home Energy Assistance Program) in the current year.
- **Nicor Energy Aide Program:** This program provides grants to qualifying households to help with natural gas bills, especially those with past-due balances. Customers with non-heat accounts can also be eligible. Eligibility generally applies to households with income at or below 350% of the Federal Poverty Level.

FOOD PANTRY

WELCOME FOOD PANTRY SHOPPERS!

The Elk Grove Township Food Pantry is currently serving 1,100 families a month, a number that continues to grow as the cost of living rises. In just two years,

demand has nearly tripled. We encourage Elk Grove Township residents to schedule appointments for their monthly usage to meet their household needs. Operating as a 'Client's Choice' model, the Food Pantry allows families to shop and choose what items best suit their family. Shopping the pantry does require an appointment and can be made by calling **224-265-6111**.

Unable to physically make it to the Food Pantry? Our pantry offers a delivery service that you can schedule! Deliveries are only made on Mondays, and you can call **224-265-6102** to set up a delivery.

Please note: deliveries are restricted to elderly and those with disabilities. Clients must call the week prior to the Monday they would like their delivery.

ATTENTION GARDENERS!

Please consider donating your extra produce to the Township's Food Pantry!

EXPANDING FOOD ACCESS: NEW PANTRY LOCKERS SERVE MORE RESIDENTS

- by John Scaletta

I'm thrilled to share that the forward-thinking vision of Supervisor Busse and the previous Board has come to life with the addition of brand-new refrigerated food pantry lockers—a vital expansion of the Township's growing food assistance program.

Unveiled on May 17, these state-of-the-art lockers are designed to serve working individuals and others who struggle to access the Food Pantry during regular business hours. Dedicated in honor of former Township Supervisor George K. Busse, they reflect our enduring commitment to reaching as many residents as possible. By allowing pickups after hours and on weekends, they remove barriers for those facing transportation challenges or conflicting work schedules. This innovative system is expected to serve 2,000 more individuals annually, offering much-needed flexibility. Access to food is a basic need, and no one should have to choose between feeding their family and keeping their job. These lockers help close that gap, ensuring we can support even more residents who rely on this essential service.

Dedicating the food pantry lockers in Busse's name is a meaningful tribute to his years of devoted service to the Township and his leadership as Supervisor. His dedication to expanding resources profoundly impacted our residents, strengthening adult and family counseling, senior services, and youth programs—all in pursuit of continuous improvement.

Registered Food Pantry clients can call **224-265-6111** to place an order for pick-up.
