Elk Grove Village | Mount Prospect | Des Plaines | Arlington Heights | Rolling Meadows

Winter 2026

## A MESSAGE FROM TOWNSHIP SUPERVISOR JOHN SCALETTA

I hope your holiday season was filled with joy, family, and friendship. As we reflect on the past few months, we recognize the challenges many residents have faced due to the government shutdown and changes to the SNAP program. In the midst of these difficulties, I have been deeply inspired by the

generosity of our community. Businesses, organizations, and residents alike stepped forward with donations of food, household supplies, and financial contributions to the Elk Grove Township Food Pantry. These gifts not only provided essential support but also offered reassurance to families in need that their Township remains a steadfast safety net in uncertain times. Each month, the Food Pantry serves on average 1,100 families, a remarkable achievement made possible by our dedicated staff, caring residents, and, most importantly, our extraordinary volunteers. We are fortunate to have over 65 volunteers who collectively contribute more than 1,000 hours of service each month. Their commitment embodies the spirit of Elk Grove Township and ensures that no neighbor faces hardship alone.

Our community once again rose to the occasion, generously supporting the Township's Winter Coat Drive, Holiday Kids' Gift Card Drive, and Older Adults Angel Tree. In addition, we received remarkable financial contributions for the Thanksgiving Dinner Baskets provided to food pantry clients. Thanks to this outpouring of kindness, countless Township residents were able to celebrate the season with warmth, dignity, and hope - support they would not have had without such generosity.

Recently, I proposed a 0% property tax levy increase for the upcoming fiscal year. At a time when many residents are struggling with hunger and other basic needs, I remain mindful of the burden every taxpayer feels when their bill arrives. I am proud to share that the Board unanimously supported this proposal, and I am deeply grateful for their commitment to easing financial pressures on our community.

## SOUPERBOWL!

While the Township's holiday programs have wrapped up, the spirit of giving continues into the New Year! Residents are invited to take part in "Souperbowl," our annual canned soup drive benefiting the Food Pantry—timed alongside football's biggest game of the season. From January 5 through February 8, we encourage donations of canned soup to help stock pantry shelves during the colder months. Contributions can be dropped off Monday through Friday, from 9:00 a.m. to 4:00 p.m., and every can helps warm both hearts and homes.

## MAC MADNESS!

As basketball fans gear up for March Madness, Elk Grove Township is celebrating its own version of "Mac Madness"! Macaroni & cheese remains a pantry favorite—especially for families with children—thanks to its simplicity, comfort, and kid-friendly appeal. Throughout the month of March, we invite residents to help keep pantry shelves stocked by donating boxes of mac & cheese or other dry pasta items. Your contributions make it easier for families to prepare quick, affordable meals at home. Donations are accepted Monday through Friday, from 9:00 a.m. to 4:00 p.m. Every box helps make a difference for neighbors in need.

## ASSESSING THE SITUATION

Connie Carosielli  
ccarosielli@elkgrovetownship.com

2025 stands out as one on the most chaotic and disappointing tax years in my memory. Many, if not most, of our taxpayers saw rising property taxes, dropped exemptions, unprocessed (by the

County) certificates of error that generated incorrect tax bills, and increased escrow payments to mortgage lenders. In addition, **the reassessment of Elk Grove Township will be reflected on your second installment tax bill this year.**

**Many of you have asked me, "what can be done?"** I am asking you to look at your 2024 Second installment Property Tax Bill that you received in November, 2025. This is the time to analyze the information that Cook County Treasurer; Maria Pappas has so helpfully provided on that bill.

Under the bold type heading it shows where your money goes from tax year 2023 to 2024, keeping in mind that we pay property taxes in arrears.

When reviewing your tax bill, it can be helpful to look at which taxing bodies have increased their levies. In some

cases, changes may stem from a voter-approved referendum or long-term financial planning decisions. Residents are encouraged to stay informed by reviewing public budgets, attending local meetings when possible, and learning more about how these entities plan for future expenses. Taking an active interest in these processes can provide valuable insight into how local decisions impact household costs

Next, look to see, under the Tax Calculator box, if you received the exemptions that you qualified and applied for. There are substantial savings to be had. Check our website for these exemptions, and the qualifications to apply.

Additional information can be found on the back of your bill, showing the Taxing Districts Breakdown.

My thanks to Treasurer Pappas for providing this valuable information, and her dedication to keeping taxpayers informed.

You will have two opportunities to appeal your assessed value this year, once with the Cook County Assessor and once with the Cook County Board of Review. If successful, great! If not, you have nothing to lose, they will not raise the current value.

I strongly advise that you call our office at **224-265-6110** and sign up for email or phone notifications so that you're up-to-date on the yearly assessment process. It is your money!

## LIHEAP AND UTILITY ASSISTANCE CHANGES FOR THE 2026 PROGRAM YEAR

Elk Grove Township would like to remind residents that all income-eligible households may apply for the Low-Income Home Energy Assistance Program (LIHEAP) to receive help with their ComEd and Nicor Gas bills. Applications are open to anyone who has not already applied since October 1, 2025. If you have not applied for this program year, we encourage you to schedule an appointment with our Social Services team by calling **224-265-6111**.

Many residents may have noticed recent changes to LIHEAP benefit amounts. This year's benefits are lower than past years due to federal funding changes, but support is still available to help households manage their utility costs.

Households approved for LIHEAP will continue to receive the Nicor Gas LIDR (Low-Income Discount Rate) directly

on their monthly bill. This discount ranges from 5% to 83%, depending on household income. Beginning January 2026, a similar income-based discount will also be available for ComEd customers, offering additional support to eligible residents.

We also encourage everyone to review the updated income guidelines, as they have changed from previous years and may affect eligibility. **Even if you were not eligible in the past, you may qualify under the new limits.**

For questions or to schedule a LIHEAP appointment, please contact Elk Grove Township Social Services. Our team is here to help ensure that every qualifying household receives the assistance they need this winter.

Low Income Home Energy Assistance Discount Income Levels Program Year 2026

Size of Household	1	2	3	4	5	6	7	8
Gross 30 day income	\$3,332	\$4,357	\$5,382	\$6,407	\$7,432	\$8,457	\$8,649	\$8,842

## NEED HELP WITH YOUR NICOR GAS BILL? WE CAN HELP YOU APPLY FOR ASSISTANCE PROGRAMS

Elk Grove Township Social Services is here to support residents who may be struggling with their natural gas bills. In addition to LIHEAP, our office can assist you in applying for several Nicor Gas assistance programs. Each program has different eligibility requirements and provides valuable support for households facing financial hardship.

### Nicor Sharing Program:

Household income must fall within program guidelines (often slightly ABOVE LIHEAP limits). Customers can only apply once per year and can receive a benefit between \$150-\$400 based on their past due balance.

### Nicor Energy Aide Program:

Customers can apply only once per year and must fall at or below 350% of the federal poverty level in the last 30 days from enrolling in the program. Customers can receive a benefit of up to \$250 based on their past due balance.

### Shield of Caring Program:

The Shield of Caring Program, supported by Nicor and community partners, assists households facing challenges that threaten their basic needs, including utility costs. Customers may apply only once per year and must fall at or below 400% of the federal poverty level in the last 30 days from enrolling in the program

If you think you may qualify, or if you're unsure, please contact Elk Grove Township Social Services. Our team will walk you through the application process, review eligibility for all available programs, and help ensure you access the support that best meets your needs. For each of these programs a most recent Nicor bill in a household members name must be submitted, all income for all household members in the last 30 days and a photo ID.

To schedule an appointment or learn more, please call our office at **224-265-6111**. No household should face utility challenges alone, we're here to help.

## FOOD PANTRY

### WELCOME FOOD PANTRY SHOPPERS!

Elk Grove Township's Food Pantry continues to support residents facing both short-term and ongoing food challenges. Township residents in need are encouraged to register

by calling **224-265-6111** to schedule an initial visit. Registration requires a photo ID and a utility bill dated within the last 30 days. First-time visitors should plan to arrive about 15 minutes early to complete paperwork and receive a Food Pantry card.

Food Pantry cards are valid for six months. Current clients are reminded to check their expiration date and bring a photo ID and a current utility bill to their appointment if renewal is needed. A valid Food Pantry card is required at every visit.

For residents who are unable to visit during regular hours, the Township also offers refrigerated food pantry lockers, providing a convenient option for evening or weekend pickup. Registered clients may call **224-265-6111** to place an order and arrange a locker pickup time. This option is especially helpful for working families or those with transportation challenges.

### PANTRY HOURS OF OPERATION

### GIVING THANKS TOGETHER!

Senator Laura Murphy on site to assist with distributing baskets, connecting with residents, and sharing warm holiday wishes. Her presence highlighted the importance of community partnerships in supporting families during the holiday season.

The Township extends sincere thanks to all who donated, volunteered, and helped make this drive a success. Your time, generosity, and support ensured that hundreds of families could enjoy a nourishing Thanksgiving meal and feel cared for during the holidays!

This past November, Elk Grove Township's Food Pantry provided Thanksgiving meal baskets to residents in need through the Township's annual Thanksgiving Basket distribution. With the help of more than 40 dedicated volunteers, over 700 families received a complete holiday meal to share with their loved ones.

Thanks to the generosity of residents and supporters during the Thanksgiving Donation Drive, more than **\$17,500 was raised**, allowing the Food Pantry to assemble baskets filled with essential holiday items. Each family received a choice of a whole turkey or turkey breast, along with butter, milk, eggs, stuffing mix, gravy, and other seasonal staples.

The event was made even more meaningful with State

## YOUTH SERVICES

### MEET THE YOUTH SERVICES TEAM!

Our Youth Services Department is made up of a dedicated three-person team with a wide range of professional backgrounds, bringing versatility, uniqueness, and many years of collective experience to the work we do. Our varied perspectives spanning clinical support, experiential learning, and community engagement allow us to meet the diverse needs of youth in meaningful ways. Together, we are committed to creating supportive spaces where young people can build confidence, strengthen life skills, and explore positive opportunities for growth. One of our core goals is to empower youth to develop the social, emotional, and interpersonal tools they need to be successful throughout their lives. Whether we are facilitating group sessions, guiding experiential activities, or offering one-on-one support, our team works intentionally to help each young person recognize their strengths, navigate challenges, and build a strong foundation for their future.

### DEPARTMENT RECOGNITION: YOUTH ORGANIZATION AWARD

We are proud to share that Youth Services received the 2025 Youth Organization Award from AITCOY (Association of Illinois Township Committees on Youth) at the annual Township of Illinois Conference (TOI). This recognition highlights the powerful impact of two of our cornerstone programs:

- **Challenge Program** – Our low-ropes Challenge Course fosters personal and social development by promoting leadership, communication, empathy, emotional regulation, and confidence. Through hands-

on experiential activities, youth practice problem-solving, build self-awareness, and engage in meaningful group reflection. These experiences are rooted in social emotional learning principles and help youth apply new skills in real-world situations.

- **Bike Safety Program** – This program provides youth with essential knowledge about safe riding practices, rules of the road, and responsible decision-making to help them stay safe and confident in the community.

This award reflects the ongoing commitment of our team, our community partners, and the incredible youth who participate in our programs.

### DEPARTMENT PROGRAMS

**Winter Programs Are Underway!** Our winter programs are in full swing, with groups filling quickly due to strong community interest and excitement. We appreciate the continued support from families and look forward to another season of meaningful youth engagement.

## ADULT & FAMILY COUNSELING

### NEW YEAR'S RESOLUTIONS: HELPFUL MOTIVATION OR ADDED PRESSURE?

As we start the New Year many of us feel inspired to promise ourselves to exercise more, eat better, save money, improve relationships, or extinguish a harmful habit. This tradition can help mobilize some, but for others can bring pressure, guilt, and stress. We all need to approach resolutions with self-compassion, balance, and realistic expectations.

The process of creating resolutions is healthy and involves self-reflection and an appraisal of what is working in our lives and what we'd like to improve. Setting goals offers a sense of focus and structure and sharing resolutions with family members and friends helps create accountability and mutual support.

Be careful to avoid common pitfalls of setting resolutions which can lead giving up and abandoning your goals. Avoid self-pressure to change quickly, perfectionism, setting unrealistic or vague goals, and comparing yourself with others. If you are going to create resolutions, focus on your overall well-being and not those that create additional stress.

Remember that New Year's resolutions can be empowering but not required. You can always start any day of the year and start over and start again. The important factor to keep in mind is practicing kindness to yourself throughout the year.

#### Here are some suggestions:

- Start small and choose one or two small habits to focus on
- Allow flexibility, breaks, rest days, and accept setbacks
- Practice self-compassion
- Seek support from family, friends, or a trusted counselor

Elk Grove Township would like to remind our senior residents that you can still meet with a SHIP (Senior Health Insurance Program) counselor if you have qualifying factors that allow you to make changes to your Medicare coverage. SHIP counselors provide free, unbiased guidance to help you review your options and make informed decisions about your healthcare coverage.

#### Who Can Change Their Medicare Plans Now?

Even outside the standard Medicare Annual Enrollment Period (October 15 – December 7), you may qualify for a Special Enrollment Period (SEP) if you experience certain life events, such as:

For those currently enrolled in Medicare Advantage (MA) Plans, you have until March 31, 2026, during the Medicare Advantage Open Enrollment Period, to make the following changes:

- Switch from one Medicare Advantage plan to another
