Fall 2026

A MESSAGE FROM TOWNSHIP SUPERVISOR JOHN SCALETTA

As the colors begin to change on the trees and children return to school, I find myself reflecting on the wonderful community we call home. Elk Grove Township is filled with generous residents, businesses and community organizations that support their neighbors by donating to the Township Food Pantry,

which saw an 86% increase in donations last fiscal year.

Their generosity is matched by the more than 60 volunteers who make a meaningful difference in the Food Pantry. Our dedicated volunteers contribute over 1,000 combined hours each month, an increase of 68% last fiscal year, by sorting donations, stocking shelves, assisting clients and making our Food Pantry more efficient.

Holiday Donation Drives. As the holiday season approaches, I invite you to support one of Elk Grove Township's Holiday Drives, each created to bring warmth, dignity and joy to our neighbors in need. The **Thanksgiving Donation Drive** ensures that every resident and family who relies on our food pantry receives a complete holiday meal with all the traditional fixings. Through the **Holiday Gift Card Drive**, low-income parents receive gift cards to purchase Christmas presents for their children, offering not only a gift but a moment of empowerment and joy for both parent and child. Our **Older Adult Angel Tree** allows seniors to share a holiday wish, which residents can fulfill by selecting a tag from the tree, brightening the season for those who may otherwise go without. Your generosity, whether through donations, volunteering or spreading the word, helps ensure every resident feels seen, valued and celebrated this holiday season.

Election Day. As we move closer to Election Day, I want to take a moment to highlight the importance of exercising your right to vote. Our community is strongest when every citizen has a voice, and voting is one of the most meaningful ways to shape the future of Elk Grove Township.

White Christmas!

This year's White Christmas Drive focuses on helping our neighbors access everyday essentials that can be difficult to afford.

We are collecting new toiletries and household necessities, including soap, shampoo, toothpaste, deodorant, feminine hygiene products, paper towels, and more. These basic items play an important role in maintaining health, hygiene, and dignity.

While food assistance programs help families meet grocery needs, SNAP benefits (formerly known as food stamps) cannot be used to purchase toiletries and other non-food essentials, making community donations especially valuable.

Residents can help make the White Christmas Drive a success by donating items or even organizing a collection within their neighborhood, school, workplace, or place of worship. Every contribution helps provide comfort and essential support to fellow Elk Grove Township residents this holiday season.

ASSESSING THE SITUATION

Connie Carosielli

ccarosielli@elkgrovetownship.com

The Cook County Board of Review appeal period may have passed as this edition reaches you. It is for that reason that I remind you to register for our

email/phone notification system that will keep you informed of important deadlines. To register, please call **224-265-6110**.

Our pilot program for appealing to both the Cook County Assessor and Board of Appeals has been very successful with our taxpayers. We will continue to evaluate this program with the intention of making it a permanent service to you.

Always remember, our office is not given advanced notice for appeal periods, so it's important for you to periodically check our website at **www.elkgrovetownship.com** for updated information.

For those of you that have to apply yearly for your exemptions, we anticipate that those forms will be available to us in mid-March, as they have been the last few years.

First installment tax bills will be mailed February 1st, due and payable by March 1st. As a reminder, your exemptions appear on the second installment bill.

Staff and I wish you health and happiness for the forthcoming holiday season, and we look forward to serving you in 2027.

DEPARTMENT OF SOCIAL SERVICES

LIHEAP ENERGY ASSISTANCE APPLICATIONS OPEN OCTOBER 1

Elk Grove Township is reminding residents that the 2026–2027 Low-Income Home Energy Assistance Program (LIHEAP) will begin accepting applications on October 1, 2026. LIHEAP helps eligible households with the cost of home energy, including heating gas, propane and electricity.

Beginning October 1, 2026 – Priority households may apply:

- Adults aged 60 and older
- Individuals with a disability
- Households with children age 5 and under
- Households whose utilities have been disconnected
- Households with a utility disconnection notice

Beginning November 1, 2026 – All other income-eligible households may apply.

The LIHEAP application period runs through August 13, 2027, or until funding is exhausted. Assistance is subject to available funding, so eligible households are encouraged to apply as early as possible.

Expanded Income Eligibility

For the 2026–2027 program year, households may qualify with a combined household income at or below 300% of

the Federal Poverty Guidelines. Eligibility is based on gross household income for the 30 days immediately prior to applying.

What You'll Need:

Applicants should be prepared to provide:

- Proof of household income for the previous 30 days (for all household members)
- Social Security numbers or applicable documentation for all household members
- Current gas and electric bills
- A lease or rental agreement if utilities are included in the rent
- Additional documentation may be required depending on your household circumstances

How To Apply

Contact the Social Services Department by phone at **224-265-6115**. Your household will be screened and your in person or remote appointment will be scheduled.

DENTAL HEALTH MEANS OVERALL HEALTH

Quality dental care shouldn't be out of reach because of cost. Elk Grove Township, in partnership with neighboring townships and Endeavor Health, is helping make dental care more accessible through the Mobile Dental Clinic.

The Mobile Dental Clinic provides a convenient resource for dental care for individuals and families who may face financial barriers to receiving dental health. Services are available for both children and adults and can include routine dental exams and other necessary dental treatments.

Who Can Use the Mobile Dental Clinic?

The program is available to residents of Elk Grove, Palatine, Schaumburg, and Wheeling Townships who meet at least one of the following requirements:

- Household income is at or below 200% of the Federal Poverty Level
- Currently receiving General Assistance
- Currently enrolled in Medicaid

Before scheduling with the Mobile Dental Clinic, you'll need to complete a financial eligibility screening through Elk Grove Township. Call **224-265-6111** to schedule an eligibility appointment. Once your eligibility has been approved, Township staff will provide you with the information you need to contact the Mobile Dental Clinic and schedule your appointment.

FOOD PANTRY

FOOD PANTRY PICK-UP THAT WORKS WITH YOUR SCHEDULE

Busy work schedules, transportation challenges, or other commitments can sometimes make it difficult

to visit the Food Pantry during regular hours. Elk Grove Township's refrigerated Food Pantry Lockers provide registered clients with another way to access the groceries they need.

The lockers allow for convenient after-hours and weekend pick-up, giving clients greater flexibility to receive their food at a time that works better for them. Refrigeration also allows fresh and perishable items to be safely included, helping clients continue to benefit from the variety of foods available through the Pantry.

Registered Food Pantry clients interested in using the lockers can call **224-265-6111** to place an order and arrange their pick-up.

PANTRY USAGE GUIDELINES

Households with 1–3 members

May shop once per calendar month

Households with 4 or more members

May shop twice per calendar month

(documentation required)

PANTRY HOURS OF OPERATION

Tuesdays & Thursdays:

9:30am – 7:00pm

(last appointments made 45 minutes before closing)

Wednesdays & Fridays:

9:30am – 3:30pm

(last appointments made 45 minutes before closing)

A FRESH HARVEST OF COMMUNITY SUPPORT

A heartfelt thank you goes out to our local gardeners, the Living & Giving Garden of Elk Grove Village, and farmers market for helping provide the Elk Grove Township Food Pantry with fresh, locally grown produce throughout the season. Together, community growers donated more than 3,400 pounds of fresh produce, with the Living & Giving Garden alone contributing more than 2,000 pounds of that incredible total. These donations provide Food Pantry clients with greater access to fresh fruits and vegetables, adding healthy, nutritious choices alongside the pantry staples available on our shelves.

For families working to stretch their grocery budgets, access to fresh produce can make a meaningful difference. Every homegrown tomato, and other freshly harvested item provides more variety and nutritious options for the more than 1,100 families who turn to our Food Pantry each month.

We are incredibly grateful to everyone who shared a portion of their harvest with their neighbors this season. Your generosity helps put fresh food on local tables and is a wonderful example of our community taking care of one another.

For more information about Food Pantry services, donation opportunities, or pantry hours, please contact Elk Grove Township at **224-265-6111** or visit elkgrovetownship.com.

YOUTH SERVICES

CONNECTING, LEARNING & GROWING

The Elk Grove Township Youth Services Department is proud to continue creating opportunities where young people can connect, learn, lead, and grow.

As we head into another season, Youth Services is excited to offer a variety of opportunities for local youth and families. From hands-on learning experiences and community events to our popular on-site programs, we continue to provide engaging experiences that help young people build confidence, strengthen social-emotional skills, develop positive relationships, and connect with their community.

STUDENT GOVERNMENT DAY

Each fall, Youth Services partners with Elk Grove High School to host Student Government Day, a long-standing Youth Services initiative that gives AP Government students a firsthand look at local government.

Students have the opportunity to learn more about how township government operates from Township Supervisor, John Scaletta, explore the services provided to residents, and gain a better understanding of civic engagement and community leadership. This interactive experience encourages students to see how local government directly impacts the communities where they live, learn, and grow.

FAMILY GAME NIGHT

Bring your family and join the Youth Services team for a Family Game Night on Wednesday, December 16, from 6:00–8:00 p.m.

Families can stop by for an evening of games, connection, and fun! Whether you enjoy classic board games, card games, or trying something new, this free event is a great opportunity to spend quality time together and meet other families in the community.

Snacks will be served. Registration is required. Scan the QR code below to register.

WINTER ON-SITE YOUTH PROGRAMS

Looking for a fun way for your child to develop new skills and make connections this winter? Youth Services will once again offer our popular Winter On-Site Youth Programs, running January 13–March 17, 2027.

Through fun, hands-on activities, these programs provide youth with opportunities to develop social-emotional skills, build positive relationships, practice teamwork and problem-solving, strengthen communication, and grow their confidence.

Best of all, Youth Services programs are offered at no cost to Elk Grove Township residents!

Program details, age groups, schedules, and registration information will be available on the Elk Grove Township website. Space is limited, so families are encouraged to check the website and register early.

Youth Services participants work together to practice communication, teamwork, and problem-solving through hands-on activities.

ADULT & FAMILY COUNSELING

AI CHATBOTS AND MENTAL HEALTH: WHAT YOU SHOULD KNOW

Artificial intelligence has quickly become part of everyday life for children, teens, and young adults.

Young people use AI to help with schoolwork, answer questions, generate ideas, and increasingly, to talk about personal problems and mental health concerns.

What Is an AI Chatbot?

An AI chatbot is a computer program powered by artificial intelligence that can communicate with a person conversationally. A young person might describe feeling anxious or overwhelmed, and the chatbot may respond with supportive language, questions, information, or suggestions for healthy coping strategies.

***Important:** *An AI chatbot is not a person and should not be considered a replacement for a licensed mental health professional.*

Why Are Young People Turning to AI for Mental Health Support?

AI may appeal to teens and young adults because it is available at almost any time, may be low-cost or free, and does not require scheduling an appointment. Young people who feel embarrassed or uncomfortable discussing their feelings may also find it easier to type their thoughts into a chatbot. AI can sometimes be useful for lower-risk forms of support, such as learning general information about stress or anxiety, brainstorming healthy coping strategies, preparing questions for a counselor, or organizing thoughts before talking with a trusted adult.

AI Support Is Not the Same as Therapy

There is an important difference between receiving supportive responses from technology and participating in psychotherapy with a trained clinician. A therapist considers symptoms, history, relationships, behavior, functioning, safety concerns, and changes over time. Therapists can ask follow-up questions, recognize warning signs, develop individualized treatment plans, and adjust care. AI does not understand or experience emotions the way humans do. It generates responses from patterns in data and the information provided during the interaction. An answer may sound confident and compassionate while still being incomplete, inappropriate, or wrong.

Risks to Consider

AI chatbots have limitations. They can misunderstand what someone means, provide inaccurate information, miss important context, or offer advice that is not appropriate for a particular person. Privacy is another consideration. Before

sharing sensitive information, users and parents should understand the privacy practices of the particular service, including how conversations and personal information may be stored or used. Another concern is overreliance. A young person who feels understood by an AI chatbot could begin turning to it instead of parents, friends, counselors, physicians, or other supportive people. Technology should help support healthy coping and human connection rather than replace them.

When Human Help Is Especially Important

AI should not be the primary source of help when a young person is experiencing serious or worsening mental health symptoms, major changes in behavior, or difficulty functioning at home, school, college, or work. These situations call for appropriate human evaluation and support. A young person who is in immediate danger should receive immediate assistance from a responsible adult, mental health professional, medical professional, or emergency service rather than relying on a chatbot.

A Message to Parents: Ask your Children about their use of AI Chatbot

Simply telling teens that they should never use AI may not be the most effective approach. Parents can ask what AI tools their child uses, what they like about them, and whether they have ever used one when feeling upset or overwhelmed. These conversations create opportunities to discuss privacy, inaccurate information, healthy boundaries, and the difference between artificial intelligence and professional mental health care.

Finding the Right Balance

AI may become an increasingly useful tool within mental health care. Used appropriately, it may help provide education, encourage healthy coping skills, and help people organize their thoughts. A chatbot cannot replace the depth of a therapeutic relationship. Young people benefit from relationships in which they can be known over time, understood within the context of their lives, and supported by people who can recognize when something has changed. For youth and young adults, AI may have a place in supporting mental wellness, but human connection, professional judgment, and appropriate mental health care remain essential.

Holiday

Thanksgiving Donation Drive

We are asking community members to help ensure that each Township resident utilizing our food pantry receives a Thanksgiving meal. Because our food pantry serves an average of 1,100 families a month, we will be holding a monetary drive to make that happen. These funds will be used to purchase items for a complete Thanksgiving meal for our food pantry clients. Please help us reach our goal of **\$16,000** this year!

Follow our progress on social media pages! Donations can be made with the form below or directly on our website www.elkgrovetownship.com.

SENIOR SERVICES

MEDICARE OPEN ENROLLMENT IS HERE — ARE YOU READY?

Medicare Open Enrollment runs **October 15 through December 7**. This is your opportunity to

review your Medicare coverage and make changes for the coming year. Even if you are happy with your current plan, it is important to review your coverage annually. Plans can change from year to year, including premiums, deductibles, prescription drug coverage, provider networks, and out-of-pocket costs. Elk Grove Township Social Services offers access to SHIP (State Health Insurance Assistance Program) counseling for seniors and individuals who are Medicare-eligible.

A trained SHIP counselor can help you understand your Medicare options, compare coverage, review prescription drug plans, and identify programs that may help reduce Medicare-related costs. SHIP counselors do not sell insurance or represent insurance companies. Their role is to provide objective information so you can make informed decisions about your health coverage.

Before your appointment, take a few minutes to:

- Review your Annual Notice of Change from your current plan
- Make a list of your medications and confirm they will still be covered
- Consider your doctors and health care needs for the coming year
- Gather your current Medicare and insurance information
- Schedule a free, unbiased SHIP counseling appointment

Appointments are limited during Open Enrollment, so we encourage residents to schedule early!

Contact Elk Grove Township Social Services at **224-222-0942** to schedule your free SHIP counseling appointment and get help understanding your Medicare options.

Older Adult Angel Tree

Beginning November 2nd, an 'Angel Tree' will be displayed in each lobby of the Elk Grove Township building. Low-income Seniors (65+) are invited to place a gift wish on the tree to receive from a generous community member. We invite residents to visit the Township after November 2nd during normal business hours (M - F, 9 a.m. - 4 p.m.) to take an ornament with the designated wish and make a Seniors holiday **MERRY and BRIGHT!**

**Participants will receive detailed instructions for dropping off gifts when they pick up their wish at the Township building.*

FOR THE COMMUNITY

THANK YOU!

Thank you to our wonderful donors for the food donations and for your kindness this quarter. We could not succeed without your help! Monetary donations are also accepted at the pantry year-round and often help fill the gaps between donated food items that are in high demand. If

you would like to bring in or send a monetary donation please mail, or drop off your donation at 600 Landmeier Rd in Elk Grove Village. Monetary Donations are also accepted online at [ElkGroveTownship.com](https://www.elkgrovetownship.com). Donations are accepted Monday through Friday 9 a.m. to 4 p.m. If you need help with your donation drop-off, please call **224-265-6111** and someone will assist you!
